Rocio Guzman is NGTC’s 2015 EAGLE Delegate

Rocio Guzman of Clarkesville has been selected as North Georgia Technical College’s 2014 Exceptional Adult Georgian in Literacy Education (EAGLE) winner. Rocio will attend the EAGLE conference on March 16-17, 2015.

“I nominated Rocio because of her superior achievement in adult education as a student in my class,” said NGTC Adult Education Instructor Sandra Adair.

Rocio, a single mother of two, completed her GED® and is currently a student in the criminal justice program at NGTC, with plans of becoming a paralegal.

“We are so proud of all of our students,” said Dean for Adult Education Shelby Ward. “We know that Rocio will represent the college well at the state convention.”

Through a series of competitions, Rocio gave a short speech and interviewed with three judges, answering questions regarding her studies, progress, hopes and dreams.

The Technical College System of Georgia (TCSG), through its Office of Adult Education, sponsors the annual EAGLE competition each year. The program is designed to create greater awareness of educational opportunities that are available in local communities and to foster greater involvement in lifelong learning.
