Spotlight on Literacy: GED student supports team

Students at the North Georgia Technical College White County Adult Learning Center received a sweet surprise during their Christmas party on December 11. Their fellow classmate, Brandon Willis, brought in an assortment of hats and scarves hand-made by his grandmother, Gloria Dean.

Brandon moved from Florida to Cleveland to live with his grandparents to focus on a brighter future for himself. He began studying for his GED® at the Learning Center on November 19 and has already passed one test, Reasoning Through Language Arts. His work ethic and determination are exemplary, but his heart has really made a lasting impression on the staff. “The gifts Gloria and Brandon gave our class were such a blessing,” stated Tiffany Scroggs, the teacher at the Learning Center.

Tiffany continues, “It is rewarding to see students overcome their struggles and be able to show kindness and compassion towards others. Brandon has learned hard lessons from making some bad choices in life, but thanks to the support of his family and his persevering attitude, he has a promising future. I am happy we can be a part of his success.”

For more information on the White County Adult Learning Center, call (706) 865-7323 or email Tiffany Scroggs at tscroggs@northgatech.edu. The learning center is located at 5702B HWY 115 East in Cleveland and is open Monday & Wednesday from 8:00 A.M. to 6:00 P.M., and Tuesday & Thursday from 8:00 A.M. to 1:00 P.M.
