From the Director of Campus Life...

Welcome to Bryant Residence Hall at North Georgia Technical College! We are very excited that you have chosen us as your place to live as you continue your education. NGTC is proud of the exceptional programs and facilities we have to offer our students and of the diverse population of students that call this their home away from home. As you live in our residence hall, you will meet students from all over Georgia and beyond. They bring with them many different ethnic backgrounds and diverse cultures which gives you the wonderful opportunity to get to know people from many different walks of life.

We have an energetic campus life program that provides our students the opportunity to continue to learn while outside of the classroom. The Campus Life Department does a fine job of providing our residents with programs that are educational, fun and most often free. There are also several student organizations that give each of our students an opportunity to get involved, stay connected and share their ideas about how to make our college and community even better.

NGTC is the oldest technical college in the state of Georgia and thus many times you may see maintenance and renovations in action. It is our goal to provide NGTC students with a positive learning environment where they can succeed educationally and socially.

Our office staff and residence hall personnel are here to make your living experience as comfortable and accommodating as possible. Please do not hesitate to contact us if you have a question about anything. We look forward to serving you!

Thanks!

Campus Life Director
Residence Life – Clarkesville Campus

Residence life is an opportunity for growth toward maturity. It allows students to become independent while maintaining community responsibility and identity. It is one of the most rewarding and important facets of the postsecondary educational experience. North Georgia Technical College offers residential living on the Clarkesville Campus to (1) provide an environment in which the learning experience may be enhanced and developed in accordance with traditional values and objectives of the college, and (2) meet the demand of physical living accommodations.

Resident students must accept the responsibility of community living. The resident student is expected to be fair and just in all of his/her dealings with the college, and particularly in caring for the facilities provided. He/she will be required to exercise patience and kindness with his/her roommate and other students. Resident students should respect the rights of others at all times.

Excessive noise, profane language, or offensive acts are prohibited.

The suspension of a student’s privileges, including campus housing, is a serious action, which may be imposed for violation of housing regulations or other institutional procedures. When a student is no longer enrolled or when violation of resident or general campus code of conduct rules results in cancellation of the right to occupancy, all personal belongings must be removed from the campus. If the student cannot remove his/her belongings at that time, he/she will be
given two weeks or the last date of the semester (whichever comes first) to remove all belongings from campus. Any belongings remaining on campus after that time will become property of NGTC. Each resident student is subject to the terms of any and all stated regulations in this catalog/handbook and regulations issued by the Vice President for Student Affairs. Any new regulation that affects the student body and/or the residents of the residence halls becomes effective 24 hours after it is posted. Legal action may be taken against persons violating local, state, and federal laws, including destroying, stealing, or defacing college property. Students at the Blairsville and Currahee campuses may contact the Student Affairs Department for information on boarding opportunities.

Residence Hall Operations

North Georgia Technical College maintains campus housing for men and women on the Clarkesville Campus. The residence hall, Bryant Hall, is a co-ed facility. Selected students serve as Resident Assistants (RAs) to assist students. The primary responsibilities of the Resident Assistants are to assist residents and act as liaison to the residents and the Campus Life Director. Resident Assistants also ensure that the rules and regulations of NGTC are followed by the residents and report any violations to the Dean for Student Affairs. They check residents in and out of the residence hall and report any residence hall maintenance needs to the Office of Student Affairs.

Washers and dryers, a kitchen, and vending machines are located in the common areas of the residence hall. Cable television service is provided to each resident’s room, and telephones are permitted in rooms through a contract agreement between the student and the telephone company. NGTC does not accept responsibility for a student’s private telephone contracts. Please refer to the residence hall contract for additional information concerning the residence hall.

To live in the residence hall, a student must complete a residence hall application and contract. These forms should be returned with the $150 room deposit to the cashier. Room and board fees must be paid in full before receiving room keys.

Residents’ belongings are their personal responsibility. NGTC is not responsible for any damage or theft of personal belongings.

All residents should bring:

- single sheets (twin long)
- pillowcases
- blankets and/or spreads
- pillows
- towels
- alarm clock
- toiletries
- dishes & cooking utensils
- cleaning supplies
Optional items:

- television
- small refrigerator

Wireless Internet access is available throughout the residence hall.

The North Georgia Technical College dining hall on the Clarkesville Campus provides well-balanced meals Monday through Thursday when classes are in session, and the student center is equipped with vending machines. The dining hall may prepare special diets (as prescribed by a physician) for resident students. The resident must obtain a written description of the diet from the physician and provide it to the Dining Hall Manager.

Dining hall hours of operation, Monday – Thursday:

- Breakfast  7:00 AM – 10:15 AM
- Lunch    11:30 AM –  1:30 PM
- Dinner    4:45 PM –  5:45 PM

**Guidelines for Residence Privileges**

In order to qualify for and maintain residence in Bryant Hall, the student must:

- Be currently enrolled at any North Georgia Technical College campus with an occupational major in a diploma, degree, or certificate program. High school students enrolled in Move On When Ready (MOWR) programs are not eligible to reside in Bryant Hall.
- Have an acceptable attendance record as determined by the North Georgia Technical College attendance procedure.
- Be in acceptable standing with North Georgia Technical College in the area of discipline. Probationary status may cause residence privileges to be revoked. Eviction from Bryant Hall is mandatory upon disciplinary suspension from the college.
- Continue to make satisfactory progress toward completion of diploma, degree, or certificate program.
- Be in good standing with the NGTC Business Office with regard to payment of all required fees.

Failure to maintain any of the above guidelines during the semester may result in the loss of residence privileges. Any variation from these guidelines must be requested in writing to the Office of the Vice President for Student Affairs for consideration on a semester-by-semester basis.
Room Assignments

Room assignments will be made based on the following:

- The date the residence hall application, contract and deposit are received.
- The date the student was accepted to the college by the Admissions Department.
- The availability of space.
- Private room assignments are based on seniority when space is available.

When possible, a roommate request is honored. Individuals requesting each other as roommates should be sure that both applications state the roommate preference on their application. If a student does not request a particular roommate, he/she will be assigned a roommate based on the current openings and date the items listed above are received. When possible, students are assigned roommates within their same program of study to facilitate scheduling coordination and interest similarities. When the residence hall is full, an overflow list will be developed in order of the received date of the items listed above.
Room Change Requests

Room changes cannot be made unless authorized by the Office of the Vice President for Student Affairs. Resident Assistants (RAs) can NOT authorize a room change request. If residents switch rooms without authorization, total contract cancellation may occur. Room change requests will be considered at the end of each semester for the following semester. All other room change requests will be reviewed on an individual basis. Room change requests based on roommate conflicts or differences will only be considered following a meeting of both roommates with the Dean for Student Affairs and/or the Campus Life Director at which time a solution to the issues will be sought. If after the solution has been tried and failed a room change MAY be authorized. Part of living in a residence hall environment is learning to accept and appreciate people from different walks of life than oneself. Conflict resolution is a skill needed in day to day living and certainly in the workforce.

Entering Rooms

**HEALTH AND SAFETY CHECKS:** Health and safety checks are completed at least once each semester. The purpose of these checks is to identify and resolve any potential facility or sanitation problems. All students will receive advance notice of scheduled health and safety checks. During a health and safety check, a RA or other representative of NGTC will enter each room to check the condition. If there are items that do not meet the advance notice requirement list the resident will be assessed a fine. If there are items that require immediate resident action, the resident will be given a designated amount of time to correct the condition. Failure to comply within the allotted time may result in an assessment of an administrative fee and/or referral to the Vice President of Student Affairs for a Student Code of Conduct violation. Residents may also be assessed charges for repair of damages noted during the health and safety check. Residents are not required to be present at a health and safety check although it is preferred.

**ENTERING ROOMS:** NGTC reserves the right to the fullest extent permitted by law to enter a room for the purpose(s) of safety, occupancy verification, facility improvements, conducting maintenance, or health and safety checks, managing rooms in the event of an epidemic or emergency that jeopardizes the well-being of the occupant or other students, and/or maintaining a quiet environment where residents may sleep and study. Student rooms may be searched for legal cause by civil authorities. In cases of suspected criminal violations, a search warrant will be used to authorize the search absent exigent circumstances. Whenever possible, NGTC will attempt to notify residents of intended room or apartment entry.
Check-In Procedures

2. RA completes top portion of the check-in/check-out form, checks room matrix for room assignment, and retrieves the assigned room keys.

If a roommate has checked in earlier, the roommate’s check-in/check-out form is to be pulled and used for comparison and consistency in reporting any room issues. If there are any differences, the RA is to confirm the condition and have both resident students assigned to the room sign and/or initial any changes.
4. RA and resident student go over the check list item by item to determine the present condition of the assigned room.
5. RA gives the resident a Resident Life Handbook for fall semester check-in and to any new residents for spring or summer semesters.
6. RA and resident student add comments as needed and both sign the form.
7. RA keeps the form and places it in the appropriate order in the binder.

Check-Out Procedures

1. Resident students go to the RA office and request to check-out during the specified times. If a Resident Student needs to check-out at a time other than the specified times for the term or a break period, they are to schedule a time with an RA or the Resident Staff Assistant (apartment).
2. RA retrieves the Check-In/Check-Out Form from the binder, takes the form on a clip board and escorts the resident student to their assigned room. If a roommate has checked out earlier, the roommate’s check-in/check-out form is to be pulled and used for comparison and consistency in reporting any room issues. If there are any differences, the RA is to confirm the condition and sign and/or initial any changes.
3. RA and resident student go over the check list item by item to determine the present condition of the assigned room.

Holiday/Semester Breaks

The residence halls will close between the end and start of each semester, Thanksgiving, Spring & Summer breaks. When the residence hall is closed, resident students are not allowed admittance to the building. Resident students may leave their belongings in their rooms during these times. Residents must remove all of their belongings before the semester break begins if they are not returning the following semester.

In order to receive a refund of the Residence Hall Deposit the following MUST happen:

- All personal property removed from the room.
- The room is clean and inspected/approved by a member of the residence hall staff. Both the student and the staff member are to sign the check-out form. If there is any damage to NGTC property recorded on the check-out form, the deposit refund will be reduced in the amount needed to repair/replace the damaged property.
- The proper check-out records are processed by the Student Affairs Office. Make sure you do not owe money to the college in any way. If you do, the deposit will go toward paying those charges before any amount is refunded.
- If proper check-out is not achieved, the deposit will not be refunded.
- If check-out occurs after the semester check-out deadline, the deposit will not be refunded.

- To expect that a roommate will respect one’s personal belongings.
- The redress of grievances. Resident Assistants (RAs) are available to assist in resolving conflicts.

Shared Responsibility

When two students share a room, each student is responsible for the contents, noise level/activities, and damages that occur in the room. If the contents, activities, or damage in the room are in violation of college procedures, both students may be charged with such violations. If a student is concerned about possible violations, it is his/her responsibility to discuss this with an RA or other Student Affairs staff.
College success does not come from simply going to class and studying all the time. Find a connection with your college and get involved. There are many opportunities for NGTC students to participate in clubs and activities.

An RA may assist with this request if necessary. The Office of Student Affairs will direct the request to the appropriate department for service. - Familiarize yourself with the Residence Hall and College safety procedures. Learn who to contact and how to gain assistance at any hour of the day.
- If there is a medical emergency call 911.
- Do NOT prop exterior doors open and guard against “tailgating” (strangers who follow you into the building after you have used your access key). Doors are locked 24/7 for security protection.
- Never give your room or building key to anyone.
- Keep your room locked when you and/or your roommate are not in the room.
- Remember you are responsible for your guests.
- Report to the residence hall staff or Campus Police any obscene or harassing phone calls or behavior.
- Report suspicious people to an RA or to Campus Police at 706-754-7731.

- Protect your personal property.
- Park your vehicle in a well-lit area.
ALWAYS EVACUATE THE RESIDENCE HALL WHEN A FIRE ALARM SOUNDS!

The safest and quickest evacuation plan for your area is located on the wall in the hallway of each floor. Familiarize yourself with the route closest to your room.

Please do not tamper with any fire safety equipment i.e. pull stations, fire extinguishers, hoses, smoke detectors and sprinkler systems. Covering a smoke detector or tampering in any way either in a room or in public areas will result in serious sanctions.

Fire Evacuation Procedure

When you hear a fire alarm, the following steps should be taken:

- Follow the evacuation route as designed for your room location and stay to the right while descending the stairway if you live in an upstairs area.
- Once outside stay at least 100 feet from the building.
- Do not re-enter the building until a staff person gives the all clear.

If you are trapped in a fire, the following steps should be taken:

- Close all doors between you and the fire. Never go blindly out of the door until you feel the handle to see if it is hot. If it is hot, stuff a towel under the door and remain in the room.
- Crack the window (both top and bottom, if possible) 6” – 8”, and stay near it for air. If needed, break the window with a chair or shoe in order to have fresh air.
- Smoke and fumes rise. Therefore, stay close to the floor; use a wall to keep from moving in circles.
- Use a towel, wet if possible, to cover hair and nose.
- Evacuated individuals must stay 100 feet away from the building until an “all clear” is given by a staff person.

False Fire Alarms

Setting off a false fire alarm in the residence hall may result in immediate eviction from the residence hall. In addition, legal action may be taken.
Severe Weather Watch/Warning

In the event of a severe weather watch and/or warning, students will be alerted by Campus Police and RAs. The following steps should be taken:

- Resident students will be directed to the ground floor of the residence hall and restricted to the center hallway away from all windows and doors.
- Resident students will remain in the designated safe area until Campus Police gives the all clear following notification from the Habersham Emergency Management Authority and the U.S. Civil Defense system.

Personal Belongings

When a student graduates or terminates training at North Georgia Technical College, all personal belongings must be removed from campus at time of checkout. If a student cannot remove his/her belongings at that time, he/she will be given two weeks or the last date of the semester (whichever comes first) to remove all of his/her belongings from campus. College personnel will not be responsible for any personal items left in the classroom, the residence hall, or any other campus location. Any unclaimed items, including motor vehicles or major appliances, will be removed from the campus after two weeks; and the student will be charged for the removal.

Inspection, Search, and Seizure

Although students are guaranteed the rights of any citizen and therefore will not be subject to unreasonable search and seizure, the courts have recognized the rights of institutions to conduct reasonable inspections, search, and seizure in order to enforce college regulations. North Georgia Technical College reserves the right to conduct such inspections, searches, and seizures within the limits of the law.

The college reserves the right to conduct searches of individual rooms and lockers in a residence hall or other facility on campus if there is reason to believe an institutional regulation has been violated. Law enforcement officials may search facilities with or without authorization from the college by means of a search warrant. Except in cases involving drugs, evidence seized during a search will normally not be used in a court of law unless a search warrant has been issued authorizing the search. However, such evidence can be used in disciplinary procedures concerning the violation of institutional regulations. Property confiscated during a search will be returned to the owner unless it is an illegal item such as drugs or drug paraphernalia or illegal weapon.
Campus Security Act

Title II of Public Law 101-542 requires this college to keep statistics on campus crime beginning in September 1992. These statistics are available upon request. In compliance with this law, all students, staff, and faculty are requested to notify campus police immediately to report any of the following offenses occurring on campus: murder, rape, robbery, aggravated assault, burglary, theft, liquor law violations, drug abuse violations, and weapons possessions. These files are maintained in the Office of Campus Safety on the Clarkesville Campus. Local law enforcement offers information concerning registered sex offenders in the area. For more information, contact the Habersham County Sheriff’s Department at 706-754-6666. Additional information can be obtained from the Georgia Bureau of Investigation by accessing the following website: www.ganet.org/gbi/sorsch.cgi.

Student Rights and Responsibilities

Student Right to Know

Every postsecondary education institution is required by law to disclose its graduation rate annually. The 2016 graduation rate, based on the TCSG System Scorecard, is 62.3%.

Privacy of Student Records – Family Educational Rights and Privacy Act (FERPA) and Applicant Records

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

1. The right to inspect and review the student’s education records within 45 days after the day the college receives a request for access. A student should submit to the FERPA Coordinator a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

3. The right to provide written consent before the college discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent. The school discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the college in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees or board of directors; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of the college who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibilities for the college.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the college to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue, SW
   Washington, DC 20202

Revised 08-10-2017
North Georgia Technical College has placed overall responsibility for administration of all student records with the Vice President for Student Affairs or his/her designee, who is designated the FERPA Coordinator. Separate records/files may be maintained by the following categories: admissions, academic, medical, psychiatric and counseling, financial aid, disciplinary, and financial. Only faculty and staff with a legitimate educational interest in the student’s records will be permitted access. Certain third-party governmental agencies have access to a student’s records without prior consent. These records are located in the Clegg Building on the Clarkesville Campus and in the Student Affairs Office on the Blairsville and Currahee campuses.
