ECONOMIC DEVELOPMENT

Electrical Lineworker Certificate (EL11)
Offered at Clarkesville Campus

Entrance Dates: Fall, Spring, Summer
Length of Program: 8 weeks
Credit Hours Required for Graduation: 12

Purpose: The Electrical Lineworker certificate program provides students with the necessary knowledge and skills to gain employment as an entry-level lineworker with electrical utility companies, both public and private. Topics include lineworker organization principles, lineworker workplace skills, lineworker automations skills, and lineworker occupational skills. Utility companies have various physical and weight requirements and company-administered tests prior to hiring.

Admission Requirements:
- Age 18 or older
- High school diploma or GED
- Completion of application process including placement test; or provide SAT or ACT scores less than five years old
- Valid driver’s license

Program Requirements:
- Must submit an acceptable (negative) DOT drug test completed one week prior to the beginning of the first day of class
- Must be program ready; no learning support courses
- Drug testing required during program with a $35 fee
