Electrical Lineworker Certificate (EL11)

Offered at Clarkesville Campus

Entrance Dates ................................................................. Fall, Spring, Summer
Length of Program ............................................................. 8 weeks
Credit Hours Required for Graduation ..................................... 12

Purpose: The Electrical Lineworker certificate program provides students with the necessary knowledge and skills to gain employment as an entry-level lineworker with electrical utility companies, both public and private. Topics include lineworker organization principles, lineworker workplace skills, lineworker automations skills, and lineworker occupational skills. Utility companies have various physical and weight requirements and company-administered tests prior to hiring.

Admission Requirements:
- Age 18 or older
- High school diploma or GED
- Completion of application process including placement test; or provide SAT or ACT scores
- Must be program ready; no learning support courses
- Valid Class C driver’s license

Program Requirements:
- Student must meet weight requirements for equipment per manufacturer’s recommendation

Commercial Truck Driving Portion Course Requirements:
- Obtain a Class A CDL Permit
- Must submit MVR for the last 7 years with no more than 8 points, 3 moving violations, and no DUI within the last 3 years; report must be within 30 days prior to the beginning of class
- Must submit report of DOT physical completed within 30 days prior to beginning class
- Must submit negative 5-panel DOT drug screen seven days prior to first day of class
- Subject to random drug/alcohol screening
- Must comply with US Department of Transportation (DOT) regulations in parts 40, 382, 383 and 391, as well as State and/or local laws, related to alcohol and controlled substances testing, age, medical certification, licensing, and driver records, as required by §380.707(a)
