Financial Aid

Purpose
North Georgia Technical College believes that the talents, hopes, and ambitions of our people are among the most valuable resources this nation possesses. With this thought in mind, North Georgia Technical College continues to promote grants, scholarships, and employment opportunities for its qualified, deserving students who must find funds in order to attend. Therefore, the fundamental purpose of the financial aid programs at North Georgia Technical College is to make it possible for students who would normally be deprived of a postsecondary education because of inadequate funds to attend. Scholarships and grants are available for credit students (associate degree, diploma, and technical certificate programs). However, amounts of assistance are subject to change from one fiscal year to another.

How to Apply
To apply for financial aid, a student should complete the Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov. FAFSA paper applications are available by visiting https://fafsa.ed.gov/options.html or calling 1-800-4-FED-AID (1-800-433-3243). It is recommended that applicants completing a paper application take advantage of the college’s electronic processing which reduces processing time. The completed FAFSA may be delivered to North Georgia Technical College’s Clarkesville, Blairsville, or Currahee Campus for processing. If a student requires assistance in completing the application or would like for the North Georgia Technical College financial aid staff to review the application, he/she needs to provide the information (tax records, social security information, etc.) used in the completion of the application. To apply for HOPE funds only, a student may complete the Georgia Student Finance Application (GSFAPP) at www.gacollege411.org. Students should allow two to three business days for applications to be processed by GSFAPP. Applicants completing a FAFSA should receive a Student Aid Report or confirmation via mail or email. Applicants completing a GSFAPP should receive confirmation via email. The Financial Aid Office will receive notification of the student’s application and contact the student if any additional information is required.

Student Eligibility
In order for a student to receive financial assistance from federal or state aid programs, he/she must:
- Be a U.S. citizen/national or an eligible non-citizen.
- Be registered with the Selective Service (if required).
- Attend a participating institution.
- Be working toward a degree, diploma, or certificate.
- Be making satisfactory academic progress.
- Not owe a refund on a federal grant or be in default on a federal educational loan.
- Have financial need (except for HOPE Program).
- Have a high school diploma or GED®.

ALSO:
- Federal student loans must be repaid, deferred, or in a satisfactory repayment status.
- Less than half-time students may be eligible for Federal PELL Grants and some other student aid programs.
- Students attending two colleges in the same enrollment period must inform both financial aid administrators (students cannot receive federal aid at more than one college per term).
- Students who have received a bachelor’s degree are not eligible for Federal PELL Grants, Federal Supplemental Educational Opportunity Grant, State HOPE Scholarship, State HOPE Grant, State Zell Miller Grant, or State Zell Miller Scholarship, but may be eligible for other student aid programs.
- Convictions of drug distribution or possession may make a student ineligible for financial aid awards.
Satisfactory Academic Progress for Financial Aid

All students receiving financial aid must maintain satisfactory qualitative and quantitative progress in accordance with the statements listed below. Progress will be reviewed each semester.

- Students enrolled in a degree, diploma, or technical certificate program must maintain a GPA of 2.0 (C) or higher. If a student’s GPA falls below 2.0, he/she will be placed on academic warning the following semester. The student has the next semester of attendance to bring up his/her semester GPA to the required 2.0. If the semester GPA is brought up to 2.0, the student is taken off academic warning. If the 2.0 is not achieved, the student will be placed on academic probation and will not be eligible for financial aid. Semester and cumulative GPAs are calculated based on all credit courses taken each semester at the institution.

- To maintain satisfactory progress for financial aid, a student must successfully complete at least 67% of all courses attempted at North Georgia Technical College. If a student fails to complete 67% of the credit hours attempted, he/she will be placed on financial aid warning for the following semester. Students may receive aid while on financial aid warning. If the 67% completion rate is achieved the following semester, the student is placed in good standing. If the 67% completion rate is not achieved, the student’s financial aid will be suspended.

- Students must complete their educational objective within a maximum time of 150% for full-time enrollment. Enrollment of less than full-time will be prorated accordingly. This means that a student will be ineligible for financial aid once he/she has attempted one and a half times the minimum number of credit hours necessary for completing diploma requirements. However, factors beyond a student’s control, such as conflicts in scheduling classes, are considered.

- Degree-seeking students who are eligible for the HOPE Scholarship funds must maintain a HOPE-cumulative GPA of 3.0 (B) or higher.

- Diploma and Technical Certificate of Credit-seeking students who are eligible for HOPE Grant funds must maintain a HOPE-cumulative GPA of 2.0 (C) or higher.

- Degree seeking students who are eligible for Zell Miller Scholarship funds must maintain a HOPE-cumulative GPA of 3.3 or higher.

- Diploma and Technical Certificate of Credit-seeking students who are eligible for Zell Miller Grant funds must maintain a HOPE-cumulative GPA of 3.5 or higher.

Grades of W and WP are not used in calculating a student’s GPA but are counted as credit hours attempted. WF is counted as an F. If a course is repeated, all hours attempted will be counted for purposes of the 67% completion rate and maximum time frame requirements; and all grades except for IP will be used in calculating the minimum GPA of 2.0. The IP will be considered the next semester when a grade is inserted.

Satisfactory academic progress for transfer students for the first semester enrolled at North Georgia Technical College will be assessed based on previous transcripts. After the first semester, only the student’s academic record at the current school will be evaluated. However, transfer records are considered when measuring the maximum time of 150%.

A student will be notified in writing by the Financial Aid Office if he/she is in violation of the standards of satisfactory progress and of the termination of the Title IV funds and/or state funds.

This DOE satisfactory academic progress policy became effective beginning the 2012-2013 academic year and supersedes any previous regulation.
Financial Aid Appeal Procedures
Students have the right to appeal the denial of financial aid eligibility if they feel that they have extenuating circumstances which prevent them from making satisfactory progress. This appeal must be made in writing to the Vice President for Student Affairs within 10 calendar days of notification of the suspension of financial aid. A decision concerning reinstatement of financial aid eligibility will be communicated to the student in writing via mail or email. The decision of the Vice President for Student Affairs shall be final.

Title IV Federal Refund
If a student receives Title IV funds (PELL, SEOG, or Direct Student Loan), withdrawal from classes or dropping classes may require repayment of funds. Changing from one program of study to another may affect eligibility for financial aid awards. The Business Office determines the amount of funds to be returned to the Title IV Federal programs using Title IV Federal guidelines. Holds are placed on student accounts when repayment is not made. Students should monitor their student account on Banner Web for changes to account balances.

Students are advised to contact Financial Aid before making changes to course schedules or programs of study.

State Student Aid Programs

HOPE Grant
The State HOPE Grant is available to qualified Georgia residents who are enrolled in a diploma or technical certificate program. High school grades, graduation dates, and family income are not a consideration in determining eligibility for the HOPE Grant. To apply, a student should complete the FAFSA or GSFAPPS Application. Assistance will cover a percentage of tuition. Room and board costs, mandatory fees, and books/supplies are not covered through the HOPE Grant. Students should strive to maintain a 2.0 HOPE-cumulative Grade Point Average to remain eligible for HOPE Grant. Students who fall below the required 2.0 HOPE-cumulative Grade Point Average at a prescribed checkpoint will lose eligibility for HOPE Grant. Effective Fall 2011, students may receive HOPE Grant funding for a maximum of 63 semester credit hours.

The HOPE Grant also awards a one-time $500 voucher to qualified Georgia residents who pass the GED® exam. The voucher is to be applied toward the cost of education in a degree, diploma, or technical certificate program. Students must complete the FAFSA or GSFAPPS Application to receive HOPE Grant GED® funding.

HOPE Scholarship
The State HOPE Scholarship is available to qualified Georgia residents who are enrolled in a degree program. HOPE Scholarship eligibility for high school graduates is determined by the Georgia Student Finance Commission at the time of his/her high school graduation (1993 or later). The HOPE Scholarship may also be available to qualified Georgia residents who have attempted 30 semester hours or 60 semester hours toward a degree with a HOPE cumulative grade point average of 3.0 or better. Once a student is determined eligible for HOPE Scholarship, he/she should strive to maintain a 3.0 HOPE Cumulative Grade Point Average to remain eligible for HOPE Scholarship. Students who fall below the required 3.0 HOPE Cumulative Grade Point Average at a prescribed checkpoint will lose eligibility for HOPE Scholarship. Assistance will cover a percentage of the tuition. Room and board costs, mandatory fees, and books/supplies are not covered through the HOPE Scholarship. Students may receive HOPE Scholarship funding or a combination of HOPE Grant/HOPE Scholarship for a maximum of 127 semester credit hours.
Zell Miller Grant
The Zell Miller Grant is available to qualified Georgia Residents who are enrolled in a diploma or certificate program. High school grades, graduation dates, and family income are not a consideration in determining eligibility for the Zell Miller Grant. To apply, a student should complete the FAFSA or GSFAPPS Application. Assistance will cover the full amount of tuition. Room and board costs, mandatory fees, and books/supplies are not covered through the Zell Miller Grant. Students should strive to maintain a 3.5 HOPE-cumulative Grade Point Average to remain eligible for the Zell Miller Grant. Students who fall below the required 3.5 HOPE-cumulative Grade Point Average at the End-of-Term checkpoint will lose eligibility for the Zell Miller Grant. Students may receive Zell Miller Grant funding for a maximum of 63 semester credit hours.

Zell Miller Scholarship
The State Zell Miller Scholarship is available to qualified Georgia residents who are enrolled in a degree program. The Zell Miller Scholarship Program is merit-based with specific academic and grade point average requirements. Eligibility for high school graduates is determined by the Georgia Student Finance Commission at the time of his/her high school graduation (2011 or later). Assistance will cover 100% of tuition. Room and board costs, mandatory fees, and books/supplies are not covered through the Zell Miller Scholarship. To apply, students should complete the FAFSA or GSFAPPS Application. Students should strive to maintain a 3.30 HOPE Cumulative Grade Point Average to remain eligible for Zell Miller Scholarship. Students may receive Zell Miller Scholarship or a combination of Zell Miller Scholarship/HOPE Scholarship/HOPE Grant funding for a maximum of 127 semester credit hours.

Student Access Loan Technical Program (SALT)
The Student Access Loan Technical Program (SALT) is a need-based, low interest loan program available to qualified Georgia residents who are enrolled in a certificate, diploma, or degree program. SALT is intended to help cover the gap in tuition costs, fees, and books. To apply, a student should complete the FAFSA and the SALT Application available at www.GAcollege411.org. Students must be enrolled at least half-time and meet all other eligibility requirements to receive SALT.

Student Access Loan
The State Student Access Loan Program offers low interest loans to qualified Georgia residents enrolled in a degree program. To apply, students must complete the FAFSA and the Student Loan Access application available at www.GAcollege411.org. Students must be enrolled at least half-time and must have exhausted all other forms of financial aid including federal student loans.

Strategic Industries Workforce Development Grant (SIWDG)
The Strategic Industries Workforce Development Grant (SIWDG) is available to qualified Georgia residents who are enrolled in an approved certificate or diploma program. To apply, students must complete a FAFSA or GSFAPPS Application. Students must also meet all eligibility requirements of the HOPE Grant program. A student’s SIWDG award is a fixed amount per term based upon the student’s program of study and number of hours of enrollment.
Federal Student Aid Programs

PELL Grant
The Federal PELL Grant is a Title IV Program that provides eligible undergraduate students with aid to help meet the cost of postsecondary education. Eligibility is based on need. Students must complete the FAFSA and eligibility is limited to 12 semesters or its equivalent.

Federal Supplemental Educational Opportunity Grant
The Federal Supplemental Educational Opportunity Grant (FSEOG) is based on financial need. Students must be qualified undergraduates enrolled in an eligible program leading to a degree, diploma, or eligible Technical Certificate of Credit. The Financial Aid office will use the results from the student’s FAFSA to determine eligibility. The maximum FSEOG a student may receive per academic year will depend on the availability of funds.

Federal Work Study Program
The Federal Work Study program provides employment opportunities to eligible students to help meet the costs of postsecondary education. Federal Work Study awards are made on a fiscal year basis. Application may be made in the Financial Aid Office. Work Study opportunities are posted to student email as positions become available along with job description, wage scale, and application. Applications should be submitted to the financial aid office. Please note, Work Study positions are treated similarly to any other job opportunity and students must complete all required employment forms as well as submit to a criminal background check upon being hired.

Federal Direct Loans
Federal Direct Student Loans are fixed-rate student loans that provide eligible students with funding to help meet the cost of postsecondary education. These loans can be used to pay tuition, and other eligible school expenses. Federal Direct Loans are not based on credit, and they can be subsidized or unsubsidized depending on the student’s financial need. Students must complete the FAFSA and the North Georgia Technical College Direct Loan Request Form no later than midterm of the full term in which the loan is being requested. Students who are not registered for a minimum 6 semester credit hours at the point of disbursement are not eligible for Federal Direct Loans.

Subsidized loans are based on financial need. Interest does not accrue on the loan while the student is in school at least half-time. The federal government "subsidizes" the interest during this time.

Unsubsidized loans are not based on financial need. Interest will accrue from the time the loan is disbursed to the school but can be deferred until 6 months after graduation.

Nelnet Payment Plan
North Georgia Technical College has contracted with Nelnet, a third party vendor, to provide a payment plan option for students. Tuition payment plans break down tuition balances into affordable monthly payments. There is no interest, payment options are flexible, and setup fees are charged. Information regarding dates of enrollment and payment requirements are available from Financial Aid advisors as well as the Cashier’s Office during the academic enrollment period for each semester.
Scholarships

Scholarships are administered through a partnership between North Georgia Technical College and the North Georgia Technical College Foundation. Scholarship applications are available online and in the Institutional Advancement Office. Applications for assistance with tuition and fees are accepted prior to each semester of the school year; students must apply/re-apply for Foundation scholarships prior to each term. Applications must be submitted to the Institutional Advancement Office by the published deadline each semester; late applications cannot be considered. Students must meet selection criteria as established by each individual scholarship. The Foundation Scholarship Committee will determine eligibility and will award scholarships based on the availability of funds. All scholarships are based on documented financial need. Foundation scholarships are awarded in amounts up to $375 and are to be used exclusively for tuition and fees.

Students may receive assistance with books through the Foundation’s Lending Library. Lending Library applications are accepted during the first week of the semester. Books loaned through the Lending Library must be returned at the end of the semester.

ALL Foundation scholarship award funds will be paid directly to North Georgia Technical College; checks will not be issued to students. All Foundation scholarships are exclusively for students enrolled at North Georgia Technical College and are available only while students are enrolled at the college.
