

NGTC Foundation Contribution – Payroll Deduction Authorization

The NGTC Foundation is a non-profit 501(c)(3) organization guided by a volunteer Board of Trustees made up of business and community leaders from across North Georgia Technical College's eight-county service area. The mission of the Foundation is to create awareness of the financial needs of the College and encourage donations of resources which are managed wisely to assure quality education for its students. One way the Foundation Board of Trustees supports this mission is through the awarding of scholarships to deserving students with a demonstrated financial need.

Each gift given to the Foundation does its part to make a significant impact in the lives of our students and enhances the overall well-being of the college. As a 501(c)(3) entity, gifts to the North Georgia Technical College Foundation are tax deductible

If you would like to contribute to the Foundation through monthly payroll deduction, please complete the information below and return this form to Cynthia Brown.
