

Accounting

Certificate, Diploma or Associate Degree available

NGTC's Accounting program prepares students for success in today's technology-driven workplace. Experienced instructors teach accounting principles and production of financial records using a variety of methods, including spreadsheets and database management systems. Students also learn to use leading desktop accounting and professional tax preparation software. Accounting graduates are able to pursue a variety of careers including jobs as bookkeepers, payroll or accounting clerks, tax preparers, financial clerks and more.

Accounting classes are available both days and evenings and are offered online or broadcast to the other campuses using the virtual classroom option, giving students more flexibility in where they attend class.

Available Programs:

- Accounting Degree
- Accounting Diploma
- Office Accounting Specialist Certificate
- Payroll Accounting Specialist Certificate

 Available on all three campuses
