

Automotive Collision Repair

Certificate or Diploma available

Is working on cars a hobby you enjoy? Want to turn that passion into a career? The Automotive Collision Repair program at NGTC provides a combination of classroom instruction and hands-on experience in the lab to prepare you for a variety of real-world situations. Graduates receive a diploma qualifying them as collision repair and refinishing technicians.

NGTC's Automotive Collision Repair program is ASE (Automotive Service Excellence) certified through the National Automotive Technicians Education Foundation, Inc. (NATEF).

This department has programs that are eligible for 100% tuition coverage under the HOPE Career Grant.

Available on the Clarkesville campus

The Automotive Collision Repair program emphasizes hands-on training in:

- Sanding and priming
- Painting techniques
- Windshield replacement
- Estimating
- Frame analysis and straightening techniques
- Panel replacement
- Tri-coats
- Buffing
- Live work and much more!
