

Business Management

Certificate, Diploma or Associate Degree available

Are you looking for a career in Business Management? The Business Management Associate Degree program is designed to prepare students for entry into management and supervisory occupations in a variety of businesses and industries. Learning opportunities will introduce, develop and reinforce academic and occupational knowledge, skills and attitudes required for job acquisition, retention and advancement in management. Flexible scheduling is possible with the majority of classes online, with a few classroom or virtual courses.

 Available on all three campuses

Business Management program graduates who are experienced workers are prepared to perform management and supervisory functions such as employee training, labor relations, employee evaluation, employee counseling and disciplinary action.

Degree Specializations Available:

- Marketing
- Small Business
- Human Resources
- General Management
