

# Early Childhood Care & Education

Certificate, Diploma or Associate Degree available

The Early Childhood Care and Education degree program prepares students for a variety of careers in the field of early childhood education. The program emphasizes a combination of early childhood care and education theory and practical application as well as general core competencies necessary for successful employment. Graduates of this program will receive one of three areas of specialization: program administration, paraprofessional or family child care. To work in a childcare field, an employee must be able to pass a criminal background check.

💰 This department has programs that are eligible for 100% tuition coverage under the HOPE Career Grant.
