

Electrical Lineworker

Certificate available

Are you ready for a high-flying, high-paying career? Begin your training at NGTC! The Electrical Lineworker with Pintle Hook Restriction certificate program provides students with the necessary knowledge and skills to gain employment as entry-level lineworkers with electrical utility companies upon graduation. The Electrical Lineworker program emphasizes hands-on training in organizational safety practices; workplace skills; occupational skills; and Class A CDL licensure. Students will complete the program in one minimester term (8 weeks) and earn a Class A commercial driver's license (CDL) with pintle hook restriction upon passing the required examination.

Available on the Blairsville and Clarkesville campuses

Students entering the Electrical Lineworker with Pintle Hook Restriction certificate program must:

- Submit a negative, 5-panel DOT drug screen 7 days prior to beginning class
- Submit report of DOT physical completed within 30 days prior to beginning class
- Obtain a DOT medical card
- Submit a 7-year motor vehicle report (MVR) obtained within 30 days of beginning class
