

Medical Assisting

Diploma or Associate Degree available

Join a team of health professionals who keep offices of physicians and other health practitioners running smoothly. With their unique versatility, medical assistants are proving to be the allied health professionals of choice for this decade and beyond, making them one of the fastest growing occupations. If you are interested in a career giving back in the medical field, medical assisting could be the perfect choice for you. Upon completion, students will receive a Medical Assisting diploma and are eligible to take the national certification examination.

💰 This department has programs that are eligible for 100% tuition coverage under the HOPE Career Grant.

📍 Available on all three campuses

Medical Assisting offers specialized, hands-on training in:

- Pharmacology
- Medical office procedures
- Medical insurance management
- Legal aspects of the medical office
- Administrative practice management
- Medical assisting skills

Build a strong foundation for your medical career with this balanced program of academics and lab work.
