

## Programs of Study

Students who enter North Georgia Technical College may select from a wide variety of programs to study. Depending on program objectives and the number of semesters or courses required, a degree, diploma or certificate is awarded upon the successful completion of all required courses in the chosen program of study.

This Catalog is the document used for graduation evaluation. A student may select to be evaluated for graduation from the catalog in effect during the time of initial program enrollment provided (1) the enrollment has been continuous, and (2) the catalog is not more than five years old. To remain continuously enrolled, a student must not have an absence of greater than one semester from North Georgia Tech. Students readmitted or reinstated will be evaluated for graduation from that year's catalog in effect at the time of readmission or reinstatement. Students not completing the catalog requirements in five years will be evaluated using the current catalog. All other academic procedures and graduation requirements must be satisfied according to regulations in effect at the time of graduation. Students desiring further information on the selection of an appropriate catalog may contact the Registrar.

A list of electives per program of study is included at the end of this section. Students are reminded to check with their advisor before registering each term as the course listings do change from time to time.

## Programs of Study

### Associate Degree Programs

North Georgia Technical College offers an Associate of Science in Nursing and General Studies, and various Associate of Applied Science degrees. In addition to the occupational programs of study, a minimum of 15 semester credit hours of general education classes is required. For more details, see the individual programs of study.

### Diploma Programs

Diploma programs are offered to provide students with entry-level job knowledge and skills. These programs are available on the postsecondary level for both high school graduates and GED® recipients.

### Technical Certificate Programs

In addition to occupational diploma and associate degree programs, North Georgia Tech offers technical certificates of credit (TCC) for certain occupational areas. Credit earned in some of the technical certificate areas may be applied toward a diploma or degree. Financial aid may be available for technical certificates.

## General Education Requirements for Associate Degrees

General Education Core (Required Minimum: 15 Semester Credit Hours)		
Area I	Language Arts/Communications	Minimum 3 Semester Credit Hours
	Successful completion of ENGL 1101 (Composition and Rhetoric) is required	
	Courses may be taken from the following academic fields:

## SCHOOL OF AGRICULTURE AND ENVIRONMENTAL STUDIES

## Environmental Technology AAS Degree (ET23)

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 6 Terms  
 Credit Hours Required for Graduation ..... 72

**Purpose:** The Environmental Technology Associate of Applied Science degree program offers specialized training to those who are interested in employment in an environmental science related field. Course work includes general education, computer applications, biology, chemistry, industrial safety, and an extensive array of detailed environmentally specific classes. The goal of this program is to produce graduates who have the necessary skills and knowledge to contribute to addressing issues associated with human interactions with the environment. The courses in the Wildlife and Fisheries Management specialization meet the requirements that the Georgia Department of Natural Resources has established for Wildlife and Fisheries Technicians and Conservation Ranger.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® student seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirements:**

- Must meet technical competencies (listed below) of the program prior to entry

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 6 Terms  
 Credit Hours Required for Graduation ..... 65

**Purpose:** The Horticulture Associate of Applied Science degree program prepares students for careers in environmental horticulture. The program provides learning opportunities which introduce, develop, and reinforce academic and technical knowledge, skills, and attitudes required for job acquisition, retention, and advancement. Additionally, the program provides opportunities to retrain or upgrade present knowledge and skills.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® student seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirement:**

Must meet the technical competencies (listed below) of the program prior to entry

**Program Courses****Credits****General Core Courses****Total 15 credit hours**

Area I Language Arts/Communication 3

ENGL 1101 Composition and Rhetoric (required)

Area II Social/Behavioral Sciences 3

Area III Natural Sciences/Mathematics 3

***(one of the following required)***

MATH 1101 Mathematical Modeling

MATH 1103 Quantitative Skills and Reasoning

MATH 1111 College Algebra

MATH 1127 Introduction to Statistics

Area IV Humanities/Fine Arts 3

General Education Elective from any area 3

*Contact program advisor for program-specific courses and see General Education Requirements for Associate Degrees for course options.*

**Occupational Courses****Total 26 credit hours**

BIOL 1111 Biology I 3

BIOL 1111L Biology I Lab 1

COLL 1010 College and Career Success Skills 3

HORT 1000 Horticulture Science 3

HORT 1010 Woody Plant Identification 3

HORT 1020 Herbaceous Plant Identification 3

HORT 1060 Landscape Design 4

HORT 1080 Pest Management 3

HORT 1150 Environmental Horticulture Internship 3

**SCHOOL OF AGRICULTURE AND ENVIRONMENTAL STUDIES****Select 24 credit hours from the following courses:**

HORT	1030	Greenhouse Management	4
HORT	1041	Landscape Construction	4
HORT	1050	Nursery Production and Management	4
HORT	1100	Intro to Sustainable Agriculture	3
HORT	1110	Small Scale Food Production	4
HORT	1120	Landscape Management	4
HORT	1140	Horticulture Business Management	3
HORT	1160	Landscape Contracting	3
HORT	1410	Soils	3
HORT	1430	Advanced Landscape Design	4
HORT	1800	Urban Landscape Issues	3

Estimated cost of books and supplies for full program is approximately \$2,500. Students will provide personal protective equipment; safety glasses, gloves, and closed toe shoes or boots (no tennis shoes) that meet industry safety standards. Estimated cost of these items \$125.

**Technical Competencies:**

Physical Demands – Horticulture is at times very labor intensive. Individuals will be required to lift up to 50 pounds. Students must possess the mobility and stamina to walk at a sustained pace for several minutes, as this industry can require you to move about on a large worksite. Students will need the ability to crawl on the ground and get up and down. Dexterity is required in the hands as well as strength. Small, tedious work involving tiny components is often undertaken in this industry.

Work Environment – Varies from almost sterile lab type conditions to very dirty outside environments. Exposure to the elements will be common. The ability to tolerate heat, cold, rain, and wind is required in this industry. Most work will be done either standing or crawling on the ground. Students could be exposed to either high noise levels, cold or hot environments, or both when working inside.

Occupational Exposures and Risks – Students will be required to apply various types of pesticides. These pesticides will vary in toxicity from low to very high. Students will be required to wear various protective equipment including respirators, glasses/goggles, coveralls, and rubber gloves. Students will be asked to operate and work in the vicinity of large and small power equipment such as skid steer loaders (Bobcat), backhoes, mowers, string trimmers, chainsaws, blowers, and others. Students may come in contact with toxic plants such as poison oak and poison ivy. Biting and stinging insects will be encountered regularly and may include bees, wasps, spiders, and fire ants.

## SCHOOL OF AGRICULTURE AND ENVIRONMENTAL STUDIES

## Horticulture Diploma (EH12)

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 4 Terms  
 Credit Hours Required for Graduation ..... 47

**Purpose:** The Horticulture diploma program prepares students for careers in environmental horticulture. The program provides learning opportunities which introduce, develop, and reinforce academic and technical knowledge, skills, and attitudes required for job acquisition, retention, and advancement. Additionally, the program provides opportunities to retrain or upgrade present knowledge and skills.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® student seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirement:**

## Garden Center Technician Certificate (GC31)

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 1 Term  
 Credit Hours Required for Graduation ..... 12

**Purpose:** The Garden Center Technician certificate program prepares students for challenging careers in the expanding field of landscaping and garden centers. Students will also develop contemporary business concepts as they apply to landscape and garden centers.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® student seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirement:**

**Sustainable Urban Agriculture Technician Certificate (SUA1)**

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 2 Terms  
 Credit Hours Required for Graduation ..... 19

**Purpose:** The Sustainable Urban Agriculture Technician certificate program prepares the student for a career in sustainable, small-scale food production that integrates economic profitability and environmental stewardship. Courses provide hands-on experience in the fundamentals of plant production and marketing, giving the student a complete knowledge of the sustainable farmer's market system.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® student seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

## Modern Agriculture AAS Degree (GA13)

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 6 Terms  
 Credit Hours Required for Graduation ..... 71

**Purpose:** The Modern Agriculture Associate of Applied Science degree teaches students to apply knowledge of basic sciences to solve agricultural problems. In addition to studying the biology of plants and animals, students also learn about new technologies that can be applied to plant and animal production systems, resource management, the application of technologies to add value to agricultural production. The Modern Agriculture program allows the student to gain the appreciation for the reliance on natural resources, the basics of animal science, government involvement with food and agriculture, innovative technology within commercial agriculture and food processing, and global impacts of food and agriculture.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® student seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**SCHOOL OF ARTS AND SCIENCES**  
**Associate of Science in General Studies (AC73)**  
*Offered at Clarkesville, Blairsville, and Currahee Campuses*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 4 Terms  
 Credit Hours Required for Graduation ..... 60

**Purpose:** The General Studies Associate of Science (AS) Degree prepares students to pursue a four-year degree for careers in multiple fields of studies. Graduates develop academic and professional knowledge and skills necessary to succeed in the profession of their choice or to further their education at a four-year university. This program provides students an option to combine general education along with occupational courses to create a specialized degree suited to their individual career goals. This institutionally developed program was uniquely designed to align to USG institutions within NGTC's service area to provide graduates a seamless plan of study from the AS to a baccalaureate program of choice with minimal loss of credits.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® student seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores  
*(Note: Appropriate placement scores for degree-level courses are higher than for diploma- or certificate-level courses)*

## Early College Essentials Certificate (EC21)

*Offered at Clarksville, Blairsville, and Currahee Campuses*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 2 Terms  
 Credit Hours Required for Graduation ..... 18

**Purpose:** The Early College Essentials certificate program is designed for a cooperative agreement between technical colleges and four-year colleges/universities in the area. These students have been identified as capable of performing academically at the college level and some are disengaged at the high school and are at risk of dropping out.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® student seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores  
*(Note: Appropriate placement scores for degree-level courses are higher than for diploma- or certificate-level courses)*

**Interdisciplinary Studies AAS Degree (AF53)**

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 5 Terms  
 Credit Hours Required for Graduation ..... 61

**Purpose:** The Associate of Applied Science Degree in Interdisciplinary Studies (AIS) allows for curriculum based on each student's academic and professional goals. Areas of concentration include education, business, and health sciences. The program curriculum may be strategically selected to build upon the student's goals and objectives. Learning opportunities develop academic and professional knowledge and skills required for job acquisition or continued education. A student might choose an interdisciplinary studies program if his or her specific goals and interest cannot be met through a school's existing majors, minors and electives.

**Admission Requirements:**

- Refer to Program Specific age requirements
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirements for Early Childhood Care and Education Specialization**

- Must have CPR and First Aid Certification

**Program Courses**

**21 Credits**

**General Core Courses** (*Some specializations require specific general education courses. See Specialization General Education Requirements below.*)

Area I Language Arts/Communication	6
ENGL 1101 Composition and Rhetoric (3) (required)	
ENGL 1102 Literature and Composition (3) (required)	
Area II Social/Behavioral Sciences	6
PSYC 1101 Introductory Psychology (3) (required)	
<b>(select an additional 3 hours from area II)*</b>	
Area III Natural Sciences/Mathematics	6-7
<b>(one of the following required)</b>	
MATH 1101 Mathematical Modeling	(3)
MATH 1103 Quantitative Skills and Reasoning	(3)
MATH 1111 College Algebra	(3)
<b>(select an additional 3-4 hours from area III)*</b>	
Area IV Humanities/Fine Arts	3
<b>(one of the following required)</b>

**SCHOOL OF HEALTH SCIENCES**  
**Associate of Science in Nursing Degree (Generic) (NF73)**

*Offered at Clarkesville and Blairsville Campuses*

Entrance Date for Clarkesville.....	Fall
Entrance Date for Blairsville .....	Spring
Length of Program .....	5 Terms
Credit Hours Required for Graduation.....	72

**Purpose:** The two-year associate level nursing program prepares students for positions in the nursing profession. The curriculum is designed to produce highly educated, technically advanced, competent, and caring individuals who are prepared to practice professional nursing in a variety of healthcare settings. The purpose of the program is to provide the learner with the necessary knowledge, skills, and attitudes to practice competently and safely as a beginning nurse generalist, in a variety of acute and long-term care settings. The nurse is viewed as a caring, holistic person who possesses critical-thinking/problem-solving skills, integrity, accountability, a theoretical knowledge base, refined psychomotor skills, and a commitment to life-long learning. Program graduates receive an Associate of Science in Nursing (ASN) degree. Graduates are then eligible to apply and take the National Council Licensure Examination for Registered Nurses (NCLEX-RN). Upon successful completion of the NCLEX-RN and licensure by the Georgia Board of Nursing, graduates are employable as registered nurses in a variety of settings.

**Admission Requirements:**

- Age 18 or older
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores
- If you are an out-of-state student: North Georgia Technical College (NGTC) adheres to the Technical College System of Georgia (TCSG) procedure 6.6.1p. Student Tuition and Fees, Item VI – Out of State Students shall be enrolled in the college on a space available basis and shall not displace any Georgia student desiring to enroll in the college. If there are remaining seats unfilled, out-of-state students will be added as indicated in the competitive admissions process

**Note:** The number of students accepted into the ASN program is limited by the number of faculty and clinical facilities available. Consequently, the ASN program incorporates a competitive admission process.

**Competitive Admission Requirements:**

- Entry into the Interdisciplinary Studies Degree with Nursing Specialization
- A minimum 3.0 Cumulative GPA must be achieved for required core courses (=average of final grades for required core)
- A grade of C or better must be achieved in each general core course
- Complete nursing entrance exam by application deadline
- Submit Intent Form: The intent form is made available on the ASN Webpage: <https://northgatech.edu/academic-programs/health-sciences/registered-nursing>

**ASN Program Requirements:**

- Students must meet the ASN program technical competencies listed below
- A final course score of 75% or better must be achieved in each RNSG course in order to progress to the next semester
- An acceptable (negative) criminal background check and drug test are required prior to clinical activities; student's participation in clinical is dependent upon the results of these requirements. Denial of any clinical facility may result in the student being dropped from the ASN program
- Students must carry professional liability insurance and maintain the American Heart Association (AHA) BLS certification while enrolled in the program
- Clinical sites are located throughout the eight-county service area and will require the students to

### SCHOOL OF HEALTH SCIENCES

travel and provide their own transportation to and from the clinical sites. Clinical rotations may occur during the day, night, or weekend hours

- Physical health exams and immunization records are required before assignment to clinical affiliates for training. No re-admission to the program after two withdrawals or two academic failures in any occupational course
- Students are required to follow the medical clearance policies designated by their assigned clinical and/ or practicum sites. If a student is denied entry to a site based on lack of vaccinations or testing, successful completion of the program will not be possible
- Must maintain annual health requirements to include PPD and flu vaccines

#### Additional Information:

- Any individual applying for licensure as a Registered Nurse who has ever been arrested must explain and document each occurrence at the time of application to the Georgia Board of Examiners for Registered Nurses. However, this does not guarantee issuance of the Registered Nurses license
- Graduates must pass the NCLEX-RN State Board Exam in order to work as a Registered Nurse in Georgia

Contact program advisor for program-specific courses and see General Education Requirements for Associate Degrees for course options.

Estimated cost of books and supplies for full program is approximately \$5,300. There are additional costs associated with this program. For a complete list of fees and costs, please see an ASN faculty member or advisor. These are approximate costs and subject to change.

**Technical Competencies:**

Working Environment – Works inside well-lighted, ventilated patient care areas; spends 50% of time in patient care areas. Potential risks may include possibly receiving cuts and infections from sharp instruments and infections from contaminated equipment and personnel; possibly being exposed to communicable diseases; and possibly incurring strains due to handling heavy equipment.

OSHA Risk Factor - Category I – A chance of exposure to blood and other body fluids is high and is an integral component of the clinical experience. The course exposes the student to noxious smells, either toxic or non-toxic; to toxic fumes, gases, vapors, mists, and liquids; or to latex which could, depending on the chemical, cause general or localized disabling conditions as a result of inhalation, ingestion, or action on the skin. HBV vaccination is recommended prior to clinical.

Essential Abilities – This position involves primarily medium work that requires frequent lifting, carrying, pushing and pulling of objects or equipment. Individuals enrolled in the program will need the physical ability to assist in lifting and carrying objects, such as patients or laboratory equipment, regardless of the weight of the patient or equipment. Stooping, kneeling, reaching, and dexterity are required. This career requires frequent sitting, standing, and/or walking without limitations. Ability to identify, assess, and comprehend conditions surrounding patient situations for the purpose of problem-solving patient conditions and coming to appropriate conclusions and/or course of action. Ability to use the senses of seeing, hearing, touching, and smelling to make correct judgments regarding patient conditions for the purpose of demonstrating competence to safely engage in the practice of nursing. Behaviors that demonstrate essential neurological functions include, but are not limited to, observation, listening, understanding relationships, writing, and psychomotor abilities. The ability to see and obtain impressions through the eyes of shape, size, distance, motions, or other characteristics of objects is required. This requires a visual acuity of 20/20 vision, with clarity of vision of 20 inches or less, depth perception, four-way field vision, sharp eye focus, and the ability to identify and distinguish color. The ability to hear is essential along with the ability to communicate effectively with fellow students, faculty, patients, and all members of the health care team. Skills include verbal, written, and nonverbal abilities consistent with effective communication. Expressing or exchanging ideas by the spoken word is required. Ability to measure, calculate, analyze, synthesize, and evaluate to engage competently in the safe practice of nursing. Demonstrate the mental health necessary to safely engage in the practice of nursing as determined by professional standards of practice. Ability to work under mental and physical stress regularly is required.

Other Essential Behavioral Attitudes – Ability to engage in activities consistent with safe nursing practice without demonstrated behaviors of addiction to, abuse of, or dependence on alcohol or other accountability for actions as a student in the Registered Nursing program and as a developing professional Registered Nurse.

Potential risks may include possibly receiving cuts and infections from sharp instruments and infections from contaminated equipment and personnel; possibly being exposed to communicable diseases; and possibly incurring strains due to handling heavy equipment.

OSHA Risk Factor - Category I – A chance of exposure to blood and other body fluids is high and is an integral component of the clinical experience. The course exposes the student to noxious smells, either toxic or non-toxic; to toxic fumes, gases, vapors, mists, and liquids; or to latex which could, depending on the chemical, cause general or localized disabling conditions as a result of inhalation, ingestion, or action on the skin. HBV vaccination is recommended prior to clinical.

Essential Abilities – This position involves primarily medium work that requires frequent lifting, carrying, pushing and pulling of objects or equipment. Individuals enrolled in the program will need the physical ability to assist in lifting and carrying objects, such as patients or laboratory equipment, regardless of the weight of the patient or equipment. Stooping, kneeling, reaching, and dexterity are required. This career requires frequent sitting, standing, and/or walking without limitations. Ability to identify, assess, and comprehend conditions surrounding patient situations for the purpose of problem-solving patient conditions and coming to appropriate conclusions and/or course of action. Ability to use the senses of seeing, hearing, touching, and smelling to make correct judgments regarding patient conditions for the purpose of demonstrating competence to safely engage in the practice of nursing. Behaviors that demonstrate essential neurological functions include, but are not limited to, observation, listening, understanding relationships, writing, and psychomotor abilities. The ability to see and obtain impressions through the eyes of shape, size, distance, motions, or other characteristics of objects is required. This requires a visual acuity of 20/20 vision, with clarity of vision of 20 inches or less, depth perception, four-way field vision, sharp eye focus, and the ability to identify and distinguish color. The ability to hear is essential along with the ability to communicate effectively with fellow students, faculty, patients, and all members of the health care team. Skills include verbal, written, and nonverbal abilities consistent with effective communication. Expressing or exchanging ideas by the spoken word is required. Ability to measure, calculate, analyze, synthesize, and evaluate to engage competently in the safe practice of nursing. Demonstrate the mental health necessary to safely engage in the practice of nursing as determined by professional standards of practice. Ability to work under mental and physical stress regularly is required.

Other Essential Behavioral Attitudes – Ability to engage in activities consistent with safe nursing practice without demonstrated behaviors of addiction to, abuse of, or dependence on alcohol or other accountability for actions as a student in the Registered Nursing program and as a developing professional Registered Nurse.

**SCHOOL OF HEALTH SCIENCES**  
**Medical Laboratory Technology AAS Degree (CLT3)**  
*Offered at Clarkesville Campus*

Entrance Dates ..... Spring  
 Length of Program ..... 5 Terms  
 Credit Hours Required for Graduation ..... 73

***\*Must complete all required learning support courses prior to enrolling in occupational courses which begin spring term.***

**Purpose:** The Medical Laboratory Technology Associate of Applied Science degree program prepares students to perform medical laboratory procedures under the supervision of a qualified medical laboratory scientist. Classroom training is integrated with clinical experiences under the medical direction of cooperating hospitals. Graduates will receive a degree in Medical Laboratory Technology and possess the entry level competencies necessary to perform routine medical laboratory tests in areas such as basic laboratory skills, related laboratory math, Clinical Chemistry, Hematology/Coagulation, Immunology/Serology, Immunohematology, Microbiology, and Urine and Body Fluid Analysis.

**Admission Requirements:**

- Age 18 or older
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirements:**

- Entry into the Interdisciplinary Studies Degree, Medical Lab Specialization and completion of prerequisite coursework with a minimum grade of “C” or better in each course
- The number of students accepted into the Medical Laboratory program is limited to the number of faculty and clinical facilities available. In the event that there are more applicants than the college can accommodate, a competitive admission process will be implemented
- No re-admission to the program after two withdrawals or two academic failures in any occupational course
- Must meet the technical competencies (listed below) of the program prior to entry
- Must provide a physical examination and immunization record prior to participating in the clinical internship; failure to provide a physical exam or immunization record that meets the clinical requirement of the program may prevent a student from participating in the clinical internship
- An acceptable (negative) criminal background check and drug test are required prior to clinical activities; student’s participation in the internship is dependent upon the results of these requirements
- Must maintain CPR certification, carry professional liability insurance and maintain annual health requirements while enrolled in the program
- Must maintain a GPA of 2.0 or better; a grade of “C” or better must be achieved in each course in order to progress to the next semester of the program, including clinical rotations
- Students who have been out of the program for two semesters or more will be subject to an evaluation of skills and knowledge to assess that retention of content and skills is sufficient to ensure success when he/she re-enters the program
- Must maintain annual health requirements

Estimated cost of books and supplies for full program is approximately \$2,500. This price does not include the cost of required clinic shoes, uniforms, and lab coats which cost approximately \$250. Other costs include physical exam - \$100-\$150, background/drug screen - \$84.95, lab fee - \$25, HBV vaccine - \$100, Acemapp fee - \$50-\$60, and malpractice insurance - \$11.50 per year, MediaLab Simulation fee \$140. These are approximate costs and subject to change.

**SCHOOL OF HEALTH SCIENCES****Technical Competencies:**

Physical Demands – This position involves primarily medium work that requires frequent lifting, carrying, pushing, and pulling of objects or equipment. Individuals enrolled in the program will need the physical ability to assist in lifting and carrying objects, such as patients or laboratory equipment, regardless of the weight of the patient or equipment. Occasional stooping, kneeling, and reaching are required. Manual dexterity (ability to perform delicate manipulations on specimens and instruments) is required. Expressing or exchanging ideas by spoken and written word and through computer information systems is required. The ability to see and obtain impressions through the eyes of shape, size, distance, color, motions, or other characteristics of objects is required. This requires a visual acuity of 20/20 vision, with clarity of vision of 20 inches or less, depth perception, four-way field vision, and sharp eye focus. The abilities to hear and smell are essential. Frequent sitting, standing, and/or walking required.

The ability to discriminate with touch (detect and anchor veins) to perform venipuncture is required. Requires the ability to read, comprehend, and apply complex technical material as it relates to medical laboratory procedures and equipment. Demonstrate progressive independence without constant supervision during clinical internship.

Essential Behavioral Attitudes – Ability to engage in activities consistent with safe medical laboratory practice without demonstrated behaviors of addiction to, abuse of, or dependence on alcohol or other drugs that may impair behavior or judgment. Demonstrate responsibility and accountability for action as a student in the CLT program and as a developing Medical Laboratory professional, including demonstrating integrity, respect for self and for others, and projecting an image of professionalism. Ability to work under mental and physical stress regularly is required, including ability to concentrate in situations with distractions. Ability to think critically is essential to perform, evaluate, interpret, record, and report laboratory test results, including quality control procedures. Ability to adapt to changing environments and be able to prioritize tasks is required.

**Occupational Hazards:**

Working Environment – Works inside well-lighted and ventilated laboratory and patient care areas. Potential risks may include possibly receive cuts and infections from sharp instruments and infections from contaminated equipment and personnel; possibly be exposed to communicable diseases; and possibly incur strains due to handling heavy equipment.

OSHA Risk Factor-Category I – A chance of exposure to blood and other body fluids is high and an integral part of the CLT program and course completion. The course exposes the student to noxious smells, either toxic or non-toxic; to toxic fumes, gases, vapors, mists, and liquids; or to latex which could, depending on the chemical, cause general or localized disabling conditions as a result of inhalation, ingestion, or action on the skin. HBV vaccination is recommended prior to clinical internship.

**SCHOOL OF HEALTH SCIENCES**  
**Accelerated Phlebotomy Technician Certificate (AP81)**

*Offered at Clarkesville and Blairsville Campuses*

Entrance Dates .....Varies on Clarkesville Campus  
 Length of Program ..... 3 Terms  
 Credit Hours Required for Graduation..... 13

**Purpose:** The Accelerated Phlebotomy Technician certificate program educates students to collect blood and process blood and body fluids. Phlebotomy technicians typically work in concert with clinical laboratory personnel and other healthcare providers in hospitals or other healthcare facilities. Topics include; human anatomy, anatomical terminology, venipuncture, and clinical practice. The program can be completed in one semester, therefore, graduates are quickly prepared to enter the workforce.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® student seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirements:**

- Must carry professional liability insurance while enrolled in the program
- An acceptable (negative) criminal background check and drug test are required prior to clinical
- Must maintain CPR and First Aid certification throughout program and clinical
- Physical and immunization records required before assignment to clinical affiliates for training
- Students must be 18 years of age before being placed in clinical practicum courses

**Program Courses**

**SCHOOL OF HEALTH SCIENCES****Medical Assisting AAS Degree (MA23)***Offered at Clarkesville, Blairsville, and Currahee Campuses*

Entrance Dates .....	Vary
Length of Program .....	6 Terms
Credit Hours Required for Graduation.....	62

**Purpose:** The Medical Assisting Associate of Applied Science degree program prepares students for employment in a variety of positions in today's medical offices. The Medical Assisting program provides learning opportunities which introduce, develop, and reinforce academic and occupational knowledge, skills, and attitudes required for job acquisition, retention, and advancement. Additionally, the program provides opportunities to upgrade present knowledge and skills or to retrain in the area of medical assisting.

**Admission Requirements:**

- Age 17 or older
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores
- Completion of Medical Assisting Diploma program

**Program Requirements:**

- The number of students accepted into the Medical Assisting Program is limited by the number of faculty and clinical facilities available
- Must complete all required learning support courses before competitive process begins
- No re-admission to the program after two withdrawals or two academic failures in any occupational course
- Must meet the technical competencies of the program (listed below) prior to entry
- Must maintain a GPA of 2.0 or better; a grade of "C" or better must be achieved in each course in order to progress to the next semester of the program, including the practicum. An overall GPA of 2.0 or better is required to be eligible to sit for the CMA national certification exam
- Must maintain CPR certification in MAST 1090 and carry professional liability insurance while enrolled in the occupational courses
- Must provide a physical examination and immunization record prior to participation in MAST 1090 and practicum; failure to provide the physical exam and immunization record or presentation of a physical and immunization record that does not meet the clinical requirements of the program may prevent a student from participation in MAST 1090 and clinical internship
- An acceptable (negative) criminal background check and drug test are required prior to clinical activities; student's participation in clinical is dependent upon the results of these requirements
- Clinical sites are located throughout the eight-county service area and will require the student to travel
- Students must be 18 years of age before being placed in clinical practicum courses

**Additional Information:**

- The Medical Assisting program does not accept experiential learning in lieu of the Medical Assisting (MAST) courses
- Beginning with the administration of the January 2001 CMA Exam, felons are not eligible to sit for the examination unless the Certifying Board grants a waiver based on one or more of the mitigating circumstances listed in the Disciplinary Standards. Please see the Program Director of Medical Assisting with any questions

Estimated cost of books and supplies for full program is approximately \$2,500. Uniforms and accessories cost approximately \$350-\$400. Students are required to wear white shoes, name tag, watch with a second hand, and purchase a stethoscope, a sphygmomanometer, and bandage scissors. These items are purchased at the beginning of the third semester. Other costs include CMA exam - \$125 payable by the fourth semester, radiology safety course - \$65, malpractice insurance - \$11.50 per year, physical exam - \$100-\$150, drug test - \$35, lab fee - \$25, and criminal background check - \$50.

**Technical Competencies:**

Working Environment – Works inside well-lighted, ventilated patient care areas; spends 89-90% of time in patient care areas. Potential risks may include possibly receive cuts and infections from sharp instruments and infections from contaminated equipment and personnel; possibly be exposed to communicable diseases; and possibly incur strains due to handling heavy equipment.

**SCHOOL OF HEALTH SCIENCES**

OSHA Risk Factor – Category I – A chance of exposure to blood and other body fluids is high. Courses expose the student to noxious smells, either toxic or non-toxic, and to toxic fumes, gases, vapors, mists, or liquids which could, depending on the chemical, cause general or localized disabling conditions as a result of inhalation, ingestion, or action on the skin.

Physical Demands – This position involves primarily medium work that requires frequent lifting, carrying, pushing and pulling of objects or equipment. Individuals enrolled in the program will need the physical ability to assist in lifting and carrying objects, such as patients or laboratory equipment, regardless of the weight of the patient or equipment. Occasional stooping, kneeling, reaching, and dexterity are required. Expressing or exchanging ideas by the spoken word is required. The ability to see and obtain impressions through the eyes of shape, size, distance, motions, or other characteristics of objects is required. This requires a visual acuity of 20/20 vision, with clarity of vision of 20 inches or less, depth perception, four-way field vision, sharp eye focus, and the ability to identify and distinguish color. The ability to hear is essential. This position requires frequent sitting, standing, and/or walking without limitations. Ability to work under mental and physical stress regularly is required.

Other Essential Behavioral Attitudes – Ability to engage in activities consistent with safe medical assisting practice without demonstrated behaviors of addiction to, abuse of, or dependence on alcohol or other drugs that may impair behavior or judgment. The student must demonstrate responsibility and accountability for actions as a student in the Medical Assisting program and as a developing professional Medical Assistant.

**SCHOOL OF HEALTH SCIENCES**  
**Medical Assisting Diploma (MA22)**

*Offered at Clarkesville, Blairsville, and Currahee Campuses*

Entrance Dates .....	Vary
Length of Program .....	5 Terms
Credit Hours Required for Graduation.....	53

**Purpose:** The Medical Assisting diploma program prepares students for employment in a variety of positions in today’s medical offices. The Medical Assisting program provides learning opportunities which introduce, develop, and reinforce academic and occupational knowledge, skills, and attitudes required for job acquisition, retention, and advancement. Additionally, the program provides opportunities to upgrade present knowledge and skills or to retrain in the area of medical assisting.

**Admission Requirements:**

- Age 17 or older
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirements:**

- The number of students accepted into the Medical Assisting Program is limited by faculty and clinical facilities available. In the event if there are more applicants than the college can accommodate, a competitive admission process will be implemented
- Must complete all required learning support courses before competitive process begins (entry into the MAST courses)
- Must complete all required basic skill and occupational core courses prior to beginning occupational specific (MAST) courses
- Required to have a grade of “B” or better in ALHS 1011 and MATH 1012. Degree level courses in these areas with a grade of “C” or better may be accepted as transfer credit provided, they meet the transfer of credit rules listed in the Admissions section of the catalog
- Must maintain a GPA of 2.0 or better; a grade of “C” or better must be achieved in each course in order to progress to the next semester of the program, including clinical
- No re-admission to the program after two withdrawals or two academic failures in any occupational course
- Must meet the technical competencies (listed below) of the program prior to entry
- Must maintain CPR Certification and professional liability insurance while enrolled in occupational courses
- Must provide a physical examination and immunization record prior to participation in MAST 1090 and clinical internship; failure to provide the physical exam and immunization record or presentation of a physical and immunization record that does not meet the clinical requirements of the program may prevent a student from participation in MAST 1090 and clinical

**Medical Coding Certificate (MC41)**

*Offered at Clarkesville, Blairsville, and Currahee Campuses*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 2 Terms  
 Credit Hours Required for Graduation..... 24

**Purpose:** The Medical Coding certificate program provides a basic short-term academic credential with potential for future program credit. The curriculum provides advanced training in coding skills for persons wanting to progress in their occupations or who want to prepare for full-time or part-time employment in the medical field. The Medical Coding technical certificate of credit program provides basic training in anatomy and physiology, medical terminology, and medical procedural and physicians' procedural coding skills.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® student seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**SCHOOL OF HEALTH SCIENCES**  
**Paramedicine AAS Degree (PT13)**  
*Offered at Clarkesville and Blairsville Campuses*

Entrance Dates .....	Fall
Length of Program .....	5 Terms
Credit Hours Required for Graduation.....	70

**Purpose:** The Paramedicine Associate of Applied Science degree program prepares students to provide advanced emergency medical care for critical and emergent patients who access the emergency medical system. This individual possesses the complex knowledge and skills necessary to provide patient care and transportation. Paramedics function as part of a comprehensive EMS response, under medical oversight. Paramedics perform interventions with the basic and advanced equipment typically found on an ambulance. The Paramedic is a link from the scene into the health care system. The program prepares students for employment in paramedic positions in today's health services field. The program provides learning opportunities that introduce, develop, and reinforce academic and occupational knowledge, skills, and attitudes required for job acquisition, retention, and advancement. The program provides opportunities to upgrade present knowledge and skills from the EMT, EMT I/85, EMT I/99, or AEMT levels to a paramedic level. Successful completion of the program allows the graduate to take the National Registry of Emergency Medical Technicians (NREMT) Paramedic certification examination and apply for Georgia licensure with the State Office of Emergency Medical Service and Trauma (SOEMST) as a paramedic.

**Admission Requirements:**

- Age 18 or older
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores
- Hold current certification and/or licensure as an EMT, EMT I/85, EMT I/99; or AEMT

**Program Requirements:**

- Must meet the technical competencies of the program (listed below)
- Must provide a physical examination and immunization record prior to participating in the clinical internship; failure to provide a physical exam or immunization record that meets the clinical requirement of the program may prevent a student from participating in the clinical internship
- Must carry professional liability insurance while enrolled in the program
- BLS certification required
- An acceptable (negative) criminal background check and drug test are required prior to enrolling in any of the EMSP courses; participation in this program is dependent upon the results of these requirements
- Must maintain a GPA of 2.0 or better; a grade of "C" or better must be achieved in each course in order to progress to the next semester of the program
- No re-admission to the program after two withdrawals or two academic failures in any occupational course
- All learning support courses must be completed prior to enrollment in EMSP 2110
- Completion of all required Biology courses and labs, with a "C" or better, prior to enrolling in any of the EMSP Courses

Estimated cost of books and supplies for full program is approximately \$2,000. Price does not include the cost of required clinical shoes and uniforms which is approximately \$350-\$450. Other costs include: certification exam - \$250-\$300, drug test - \$35, criminal background check - \$50, lab fee - \$25, physical exam - \$100-\$150, Georgia licensing fees - \$150-\$300, EMS Testing - \$85, and malpractice insurance - \$46.50 per calendar year.

**Technical Competencies:**

Working Environment – Emergency medicine contains many potential risks. They may include cuts or infections from sharp instruments, contaminated equipment, or personnel; possible exposure to communicable diseases; and possible strains due to handling heavy equipment and patients.

OSHA Risk Factor – Category I – A chance of exposure to blood and other body fluids is high and is an integral component of the clinical experience. The student may be exposed to latex; noxious smells,

**SCHOOL OF HEALTH SCIENCES**

either toxic or non- toxic; and toxic gases or liquids, any of which could possibly cause general or localized disabling conditions as a result of inhalation, ingestion, or action on the skin. HBV vaccination is recommended prior to clinical rotation.

Physical Demands – This position involves primarily medium work that requires frequent lifting, carrying, pushing and pulling of objects or equipment. Individuals enrolled in the program will need the physical ability to assist in lifting and carrying objects, such as patients or laboratory equipment, regardless of the weight of the patient or equipment. The ability to stoop, kneel, and reach; and exhibit general manual dexterity is required. The ability to express and exchange ideas by spoken word is required. The ability to see and obtain impressions through the eyes of shape, size, distance, color, motions, or other characteristics of objects is required. This requires a visual acuity of 20/20 vision, with clarity of vision of 20 inches or less, depth perception, four-way field vision, sharp eye focus, and ability to identify and distinguish color. The abilities to hear and smell are essential. This position requires frequent sitting, standing, and/or walking. The ability to work under frequent mental and physical stress is required. The ability to think critically is essential. Reliable transportation to the clinical site is essential.

**SCHOOL OF HEALTH SCIENCES****Paramedicine Diploma (PT12)***Offered at Clarkesville and Blairsville Campuses*

Entrance Dates .....	Fall
Length of Program .....	4 Terms
Credit Hours Required for Graduation.....	63

**Purpose:** The Paramedicine diploma program prepares students to provide advanced emergency medical care for critical and emergent patients who access the emergency medical system. This individual possesses the complex knowledge and skills necessary to provide patient care and transportation. Paramedics function as part of a comprehensive EMS response, under medical oversight. Paramedics perform interventions with the basic and advanced equipment typically found on an ambulance. The Paramedic is a link from the scene into the health care system. The program prepares students for employment in paramedic positions in today's health services field. The program provides learning opportunities that introduce, develop, and reinforce academic and occupational knowledge, skills, and attitudes required for job acquisition, retention, and advancement. The program provides opportunities to upgrade present knowledge and skills from the EMT, EMT I/85, EMT I/99, or AEMT levels to a paramedic level. Successful completion of the program allows the graduate to take the National Registry of Emergency Medical Technicians (NREMT) Paramedic certification examination and apply for Georgia licensure with the State Office of Emergency Medical Service and Trauma (SOEMST) as a paramedic.

**Admission Requirements:**

- Age 18 or older
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores
- Hold current certification and/or licensure as an: EMT, EMT I/85, EMT I/99; or AEMT

**Program Requirements:**

- Must meet the technical competencies (listed below) of the program
- Must provide a physical examination and immunization record prior to participating in the clinical internship; failure to provide a physical exam or immunization record that meets the clinical requirement of the program may prevent a student from participating in the clinical internship
- Must carry professional liability insurance while enrolled in the program
- BLS certification required
- An acceptable (negative) criminal background check and drug test are required prior to enrolling in any of the EMSP courses; participation in this program is dependent upon the results of these requirements
- Must maintain a GPA of 2.0 or better; a grade of "C" or better must be achieved in each course in order to progress to the next semester of the program
- No re-admission to the program after two withdrawals or two academic failures in any occupational course
- Completion of ALHS 1011 and ALHS 1090, with a "C" or better, prior to enrolling in any of the EMSP courses

**EMS Professions Diploma (EP12)**

*Offered at Clarkesville and Blairsville Campuses*

Entrance Dates ..... Vary According to Campus  
 Length of Program ..... 4 Terms  
 Credit Hours Required for Graduation..... 45

**Purpose:** The EMS Professions diploma prepares students to move into the Paramedicine program at the diploma level. Successful completion of the program allows the graduate to take the National Registry of Emergency Medical Technicians AEMT certification examination and to apply for Georgia licensure as an AEMT. The primary focus of the Advanced Emergency Medical Technician is to provide basic and limited advanced emergency medical care and transportation for critical and emergent patients who access the emergency medical system. This individual possesses the basic knowledge and skills necessary to provide patient care and transportation. Advanced Emergency Medical Technicians function as part of a comprehensive EMS response, under medical oversight. Advanced Emergency Medical Technicians perform interventions with the basic and advanced equipment typically found on an ambulance.

**Admission Requirements:**

- Age 18 or older
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirements:**

- All learning support courses must be completed prior to enrolling in EMSP 1110
- Must meet the technical competencies of the program (listed below)
- Must carry professional liability insurance while enrolled in the program
- BLS certification required
- An acceptable (negative) criminal background check and drug test are required prior to enrolling in any of the EMSP courses; participation in this program is dependent upon the results of these requirements
- Required to complete a dental and physical examination and document up-to-date immunizations before placement in a clinical training site
- Must maintain a GPA of 2.0 or better; a grade of “C” or better must be achieved in each course in order to progress to the next semester of the program, including clinical internship
- No re-admission to the program after two withdrawals or two academic failures in any occupational course
- Completion of ALHS 1011 and ALHS 1090, with a “C” or better, prior to enrolling in any of the EMSP courses

**Additional Information:**

- Students will be required to demonstrate competency during program exit testing. Students failing to meet established standards will not be able to graduate or take licensure exams. An established performance and remediation policy will be distributed during the final EMSP course
- An individual applying to a certifying agency that has a misdemeanor or felony must explain and document each occurrence at the time of application. State agencies regulate licensure, which can be denied

**SCHOOL OF HEALTH SCIENCES**  
**Practical Nursing Diploma (PN12)**  
*Offered at Blairsville and Currahee Campuses*

Entrance Dates .....	Fall
Length of Program .....	5 Terms
Credit Hours Required for Graduation.....	60

**Purpose:** The Practical Nursing diploma program prepares students to write the NCLEX-PN for licensure as practical nurses. The program prepares graduates to give competent nursing care. This is done through a selected number of academic and occupational courses providing a variety of techniques and materials necessary to assist the student in acquiring the needed knowledge and skills to give competent care. A variety of clinical experiences is planned so that theory and practice are integrated under the guidance of the clinical instructor. Program graduates receive a Practical Nursing diploma and have the qualifications of an entry-level practical nurse.

**Admission Requirements:**

- Age 18 or older
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirements:**

- Acceptance into the Practical Nursing Program is a competitive process in which students are ranked based on their GPA and HESI scores
- Schedule and take HESI exam
- Must complete all required learning support courses before the competitive process begins
- No re-admission to the program after two withdrawals or two academic failures in any occupational course
- Must meet the technical competencies (listed below) of the program prior to entry
- Required to have a grade of “B” or better in ALHS 1011, MATH 1012, and PNSG 2010. Degree level courses in these areas with a grade of “C” or better may be accepted as transfer credit provided they meet the transfer of credit rules listed in the Admissions section of the catalog
- Must maintain a GPA of 2.0 or better. A grade of “C” or better must be maintained in each course in order to continue in each clinical course and to progress to the next semester. An overall GPA of 2.0 or better is required to be eligible to sit for the NCLEX-PN licensure exam
- An acceptable (negative) criminal background check and drug test are required prior to clinical activities; student’s participation in clinical is dependent upon the results of these requirements. Denial of any clinical facility can result in the student being dropped from the program
- Must carry professional liability insurance while enrolled in the program
- Clinical sites are located throughout the eight-county service area and will require students to travel and provide their own transportation to and from the clinical sites
- Physical and dental exams and immunization records are required before assignment to clinical affiliates for training
- BLS and First Aid Certification required

**Additional Information:**

- Any individual applying for licensure as a Practical Nurse who has ever been arrested must explain and document each occurrence at the time of application to the Georgia Board of Examiners for Licensed Practical Nurses.
- Graduates must pass the NCLEX-PN State Board Exam in order to work as a licensed practical nurse in Georgia
- If you are an out-of-state student: NGTC adheres to the Technical College System of Georgia (TCSG) procedure 6.6.1p. Student Tuition and Fees, Item VI – Out of State Students shall be

**SCHOOL OF HEALTH SCIENCES**

enrolled in the college on a space available basis and shall not displace any Georgia Student desiring to enroll in the college. If there are remaining seats unfilled, out-of-state students will be added as indicated in the competitive admissions process.

PNSG	2410	Nursing Leadership	1
PNSG	2415	Nursing Leadership Clinical	2

Estimated cost of books and supplies for full program is approximately \$3,000. Uniforms and accessories are purchased through the NGTC bookstore at approximately \$350-\$400. Students are required to wear white shoes, white socks, name tag, and have a watch with a second hand, a stethoscope, a sphygmomanometer, and bandage scissors. These items are purchased at the beginning of the first semester. Other costs include malpractice insurance - \$11.50, drug test/criminal background check - \$90, physical exam and immunizations- \$100-\$150, licensure expenses - \$350, AceMapp registration fee - \$50, and nursing fee - \$659.00 per semester.

**Technical Competencies:**

Working Environment – Works inside well-lighted, ventilated patient care areas; spends 89-90% of time in patient care areas. Potential risks may include possibly receiving cuts and infections from sharp instruments and infections from contaminated equipment and personnel; possibly be exposed to communicable diseases; and possibly incur strains due to handling heavy equipment.

OSHA Risk Factor - Category I – A chance of exposure to blood and other body fluids is high and is an integral component of the clinical experience. The course exposes the student to noxious smells, either toxic or non- toxic; to toxic fumes, gases, vapors, mists, and liquids; or to latex which could, depending on

**SCHOOL OF HEALTH SCIENCES**

the chemical, cause general or localized disabling conditions as a result of inhalation, ingestion, or action on the skin. HBV vaccination is recommended prior to clinical.

Essential Abilities – This position involves primarily medium work that requires frequent lifting, carrying, pushing and pulling of objects or equipment. Individuals enrolled in the program will need the physical ability to assist in lifting and carrying objects, such as patients or laboratory equipment, regardless of the weight of the patient or equipment. Stooping, kneeling, reaching, and dexterity are required. This career requires frequent sitting, standing, and/or walking without limitations. Ability to identify, assess, and comprehend conditions surrounding patient situations for the purpose of problem-solving around patient conditions and coming to appropriate conclusions and/or course of action. Ability to use the senses of seeing, hearing, touching, and smelling to make correct judgments regarding patient conditions for the purpose of demonstrating competence to safely engage in the practice of nursing. Behaviors that demonstrate essential neurological functions include, but are not limited to, observation, listening, understanding relationships, writing, and psychomotor abilities. The ability to see and obtain impressions through the eyes of shape, size, distance, motions, or other characteristics of objects is required. This requires a visual acuity of 20/20 vision, with clarity of vision of 20 inches or less, depth perception, four-way field vision, sharp eye focus, and the ability to identify and distinguish color. The ability to hear is essential along with the ability to communicate effectively with fellow students, faculty, patients, and all members of the health care team. Skills include verbal, written, and nonverbal abilities consistent with effective communication. Expressing or exchanging ideas by the spoken word is required. Ability to measure, calculate, analyze, synthesize, evaluate, and to engage competently in the safe practice of nursing is required. Demonstrate the mental health necessary to safely engage in the practice of nursing as determined by professional standards of practice. Ability to work under mental and physical stress regularly is required.

Other Essential Behavioral Attitudes – Ability to engage in activities consistent with safe nursing practice without demonstrated behaviors of addiction to, abuse of, or dependence on alcohol or other accountability for actions as a student in the Practical Nursing program and as a developing professional Practical Nurse.

**SCHOOL OF HEALTH SCIENCES****Nurse Aide Certificate (CN21)***Offered at Clarkesville, Blairsville, and Currahee Campuses*

Entrance Dates .....	Vary according to campus
Length of Program .....	2 Terms
Credit Hours Required for Graduation.....	13

**Purpose:** The Nurse Aide certificate program prepares students with classroom training and practice as well as the clinical experiences necessary to care for patients in various settings including general medical and surgical hospitals, nursing care facilities, community care facilities for the elderly, and home health services. Students who successfully complete the Nurse Aide certificate may be eligible to sit for the National Nurse Aide Assessment Program (NNAAP) which determines competency to become enrolled in the State nurse aide registry.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirements:**

- Must carry professional liability insurance while enrolled in the program
- An acceptable (negative) criminal background check and drug test are required prior to clinical activities; students' participation in clinical is dependent upon the results of these requirements
- Students are responsible for physical, immunizations, uniforms, and white shoes prior to clinical practicum placement
- BLS and First Aid Certification required

**Program Courses**

	<b><u>Credits</u></b>

ALHS 1060 Diet and Nutrition for Allied Health Sciences	2
ALHS 1090 Medical Terminology for Allied Health Sciences	2
NAST 1100 Nurse Aide Fundamentals	6
<b>OR</b>	
NAST 2100 Nurse Aide Accelerated	7

Estimated cost of books and supplies for full program is approximately \$500.

**SCHOOL OF HEALTH SCIENCES****Nurse Aide Accelerated Certificate (NAA1)***Offered at Clarkesville, Blairsville, and Currahee Campuses*

Entrance Dates .....	Vary according to campus
Length of Program .....	1 Term
Credit Hours Required for Graduation.....	9

**Purpose:** The Nurse Aide Accelerated certificate program prepares students with classroom training and practice as well as the clinical experiences necessary to care for patients in various settings including general medical and surgical hospitals, nursing care facilities, community care facilities for the elderly, and home health services. After the completion of the State approved training program, the candidate must take and pass the competency evaluation testing agency. The candidates who successfully pass the written/oral and skills competency examination are included on the Georgia Nurse Aide Registry.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirements:**

- Must carry professional liability insurance while enrolled in the program
- An acceptable (negative) criminal background check and drug test are required prior to clinical activities; students' participation in clinical is dependent upon the results of these requirements

**SCHOOL OF HEALTH SCIENCES****Health Care Assistant Certificate (HA21)***Offered at Clarkesville, Blairsville, and Currahee Campuses*

Entrance Dates ..... Vary According to Campus  
 Length of Program ..... 3 Terms  
 Credit Hours Required for Graduation.....30-35 depending on track

**Purpose:** The Health Care Assistant certificate program provides academic foundations at the diploma level in communications, mathematics, and human relations, as well as technical fundamentals. Program graduates are trained in the underlying fundamentals of health care delivery and are well prepared for employment and subsequent upward mobility.

**Admission Requirements:**

- Age 17 or older
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirements:**

- Must meet the technical competencies of the program (listed below) prior to entry
- Must carry professional liability insurance while enrolled in the program
- An acceptable (negative) criminal background check and drug test are required prior to clinical internship; student's participation in clinical is dependent upon the results of these requirements
- Physical and dental exams and immunization records required before assignment to clinical sites for training
- Must maintain a GPA of 2.0 or better; a grade of "C" or better must be achieved in each course in order to progress to the next semester of the program
- No re-admission to the program after two withdrawals or two academic failures in any occupational course.
- Students must be 18 years of age before being placed in clinical practicum courses
- BLS and First Aid Certification required

## SCHOOL OF INDUSTRIAL TECHNOLOGY

## Advanced Manufacturing Systems Technology AAS Degree (MS23)

*Offered at Currahee Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 5 Terms  
 Credit Hours Required for Graduation ..... 61

**Purpose:** The Advanced Manufacturing Systems Technology Associates of Applied Science Degree Program is designed around the changing skills demanded by area manufactures. The program provides learning opportunities that introduce, develop, and reinforce academic and technical knowledge, skills, and attitudes required for job acquisition, retention, and advancement. Additionally, the program provides opportunities to retrain or upgrade present knowledge and skills. The program teaches skills in industrial maintenance and automated control systems. The program is excellent for people who like to work with their hands. Graduates of the program should be eligible for positions as maintenance technicians or controls technicians in an automated manufacturing facility. Some of the titles might include maintenance technician, service engineer, robot programmer, and PLC programmer.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**SCHOOL OF INDUSTRIAL TECHNOLOGY**  
**Manufacturing Maintenance Mechanic Certificate (MA91)**

*Offered at Currahee Campus*

Entrance Dates ..... Fall  
 Length of Program ..... 1 Term  
 Credit Hours Required for Graduation ..... 10

**Purpose:** The Manufacturing Maintenance Mechanic certificate provides students the opportunity to enter the workforce area of industrial maintenance with specializations in the areas of inspection, maintenance, service, and repair of industrial mechanical systems, fluid power systems, pumps, and piping systems. Topics include belt, gear and chain drive systems, speed reducers, transmissions, and various bearing installation, troubleshooting and repair, hydraulics and pneumatics, pumps, and piping system installation, troubleshooting and repair.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Courses**

**Credits**

AUMF 1190	Fluid Power Systems	3

Estimated cost of books and supplies for full program is approximately \$200.

**Manufacturing Motor Controls Technician Certificate (MM81)**

*Offered at Currahee Campus*

Entrance Dates ..... Fall  
 Length of Program ..... 1 Term  
 Credit Hours Required for Graduation ..... 12

**Purpose:** The Manufacturing Motor Controls Technician certificate will provide students with the opportunity to enter the workforce area of industrial maintenance with specialized skills in the areas of electrical applications and maintenance of industrial motor controls. Topics include AC and DC theory, application and motors, circuits, manual and automatic controls, variable speed motor controls and other applications of industrial wiring.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Courses**

SCHOOL OF INDUSTRIAL TECHNOLOGY  
Manufacturing Programmable Controls Technician Certificate (MPC1)  
*Offered at Currahee Campus*

Entrance Dates .....	Fall
Length of Program .....	1 Term
Credit Hours Required for Graduation.....	9

**Purpose:** The Manufacturing Programmable Motor Controls Technician certificate provides students with the opportunity to enter the workforce area of industrial electro-mechanical maintenance specifically in areas of automated applications. Instruction is provided using industry standard equipment and industry recognized programming platforms. Topics include: ladder, function block and structured text programming, applications of industrial networking, focuses on network security, remote input and output devices and navigating software for troubleshooting and repair.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**SCHOOL OF INDUSTRIAL TECHNOLOGY**  
**Applied Technical Management AAS Degree (AS33)**

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 5 Terms  
 Credit Hours Required for Graduation ..... 31

**Purpose:** The Applied Technical Management Associate of Applied Science degree program allows a student after completing diploma in a TCSG program area, to continue to a degree. In addition to the skills and knowledge obtained in the diploma, the student will obtain degree-level general education knowledge and business-related skills and knowledge.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores
- Completion of a diploma in TCSG program (minimum of 37 semester credit hours) prior to admission in this degree
- Advisor approval required prior to admission
- Diplomas earned at an institution other than a TCSG college will be considered pending approval of the Dean, based on program accreditation, certification, and prior learning assessment

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 1 Term  
 Credit Hours Required for Graduation ..... 12

**Purpose:** The Air Conditioning Electrical Technician certificate program prepares students in the air conditioning area of study to acquire competencies in electricity related to installation, service, and maintenance of electrical systems.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

<u>Program Courses</u>	<u>Credits</u>
AIRC 1030 HVACR Electrical Fundamentals	4
AIRC 1040 HVACR Electrical Motors	4
AIRC 1050 HVACR Electrical Components and Controls	4

Estimated cost of books and supplies for full program is approximately \$250.

**SCHOOL OF INDUSTRIAL TECHNOLOGY**  
**Air Conditioning Technician Assistant Certificate (AZ31)**

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 1 Term  
 Credit Hours Required for Graduation ..... 12

**Purpose:** The Air Conditioning Technician Assistant certificate program prepares students to hold positions as air conditioning technician assistants or refrigeration technician assistants.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

<u>Program Courses</u>	<u>Credits</u>
AIRC 1005 Refrigeration Fundamentals	4
AIRC 1010 Refrigeration Principles and Practices	4
AIRC 1020 Refrigeration Systems Components	4

Estimated cost of books and supplies for full program is approximately \$250. Additional cost includes EPA, OSHA 10 and other ESCO certification exams - \$175.

**Heating and Air Conditioning Installation Technician Certificate (HAA1)**

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 1 Term  
 Credit Hours Required for Graduation ..... 16

**Purpose:** The Heating and Air Conditioning Installation Technician Assistant certificate program prepares for a career in the installation of heating and air conditioning systems. Emphasis is placed on the theory and practical application skills necessary to provide the skills for successful employment.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

<u>Program Courses</u>	<u>Credits</u>
AIRC 1005 Refrigeration Fundamentals	4
AIRC 1010 Refrigeration Principles and Practices	4
AIRC 1030 HVACR Electrical Fundamentals	4
AIRC 1060 Air Conditioning Systems Application and Installation	4

Estimated cost of books and supplies for full program is approximately \$300.

**SCHOOL OF INDUSTRIAL TECHNOLOGY**  
**Electrical Systems Technology Diploma (ES12)**  
*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 4 Terms  
 Credit Hours Required for Graduation.....43-46

**Purpose:** The Electrical Systems Technology diploma program provides instruction in the inspection, maintenance, installation, and repair of electrical systems in the residential, commercial, and industrial industries. A combination of theory and practical application is emphasized to develop academic, technical, and professional knowledge and skills.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Courses**

**Credits**

**Basic Skills Courses**

**Total 9 credit hours**

COLL	1010	College and Career Success Skills	3
ENGL	1010	Fundamentals of English I	3
MATH	1012	Foundations of Mathematics	3

**Completion of the following specialization is required:**

**Electrical Construction and Maintenance (8EC2)**

**Total 8 or 11 credit hours**

ELTR	1205	Residential Wiring I	3
ELTR	1210	Residential Wiring II	3
ELTR	1520	Grounding and Bonding	2
<b>OR</b>			
ELTR	1150	Interpreting the National Code	5

Estimated cost of books and supplies for full program is approximately \$1,500. OSHA Training fee \$120.

**SCHOOL OF INDUSTRIAL TECHNOLOGY**  
**Basic Electrical Technician Certificate (BE11)**

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring  
 Length of Program ..... 1 Term  
 Credit Hours Required for Graduation ..... 13

**Purpose:** The Basic Electrical certificate program provides fundamental instruction in electrical construction principles and practices. Topics include safety, mathematical applications, reading and interpreting blueprints, and direct and alternating current circuits.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

<u>Program Courses</u>				<u>Credit</u>
ELTR	1020	Alternating Current Fundamentals		3
ELTR	1060	Electrical Prints, Schematics, and Symbols		2
IDFC	1007	Industrial Safety Procedures		2
IDFC	1011	Direct Current I		3
MATH	1012	Foundations of Mathematics		3

Estimated cost of books and supplies for full program is approximately \$500. OSHA Training fee \$120.

**Commercial Wiring Certificate (CW31)**

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring  
 Length of Program ..... 2 Terms  
 Credit Hours Required for Graduation ..... 17

**Purpose:** The Commercial Wiring certificate program provides instruction in the knowledge and skills necessary to perform wiring functions in a commercial setting. Topics include safety practices, blueprint and schematic reading and interpretation, and wiring procedures and practices.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

<u>Program Courses</u>				<u>Credits</u>
ELTR	1020	Alternating Current Fundamentals		3
ELTR	1060	Electrical Prints, Schematics, and Symbols		2
ELTR	1080	Commercial Wiring I		4
ELTR	1090	Commercial Wiring II		3
IDFC	1007	Industrial Safety Procedures		2
IDFC	1011	Direct Current I		3

Estimated cost of books and supplies for full program is approximately \$500. OSHA Training fee \$120.

**SCHOOL OF INDUSTRIAL TECHNOLOGY****Electrical Technician Certificate (ET51)***Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring  
 Length of Program ..... 2 Terms  
 Credit Hours Required for Graduation ..... 19

**Purpose:** The Electrical Technician certificate program provides training in basic electrical wiring skills enabling students to gain entry level employment in the construction and maintenance industry. Topics include basic electrical principles and practices, blueprint interpretation, industrial safety procedures, and residential wiring operations.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

<b>Program Courses</b>				<b>Credits</b>
ELTR	1020	Alternating Current Fundamentals		3
ELTR	1060	Electrical Prints, Schematics, and Symbols		2

IDFC	1007	Industrial Safety Procedures		2
IDFC	1011	Direct Current I		3
MATH	1012	Foundations of Mathematics		3

Estimated cost of books and supplies for full program is approximately \$500. OSHA Training fee \$120.

**Photovoltaic Systems Installation and Repair Technician Certificate (PS11)***Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring  
 Length of Program ..... 1 Term  
 Credit Hours Required for Graduation ..... 15

**Purpose:** The Photovoltaic Systems Installation and Repair Technician certificate program individuals with the opportunity to enter the workforce area that specializes in electrical applications of installing, inspecting and repairing solar panels in the electrical industry.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

<b>Program Courses</b>				<b>Credit</b>

IDFC	1011	Direct Current I		3

Estimated cost of books and supplies for full program is approximately \$500. OSHA Training fee \$120.

**SCHOOL OF INDUSTRIAL TECHNOLOGY**  
**Residential Wiring Technician Certificate (RW21)**

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring  
 Length of Program ..... 2 Terms  
 Credit Hours Required for Graduation..... 16

**Purpose:** The Residential Wiring certificate program prepares students for employment in the construction industry as qualified residential wiring technicians. Topics include NEC regulations, blueprint reading, principles of direct and alternating current, and residential wiring procedures and practices.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

ELTR	1210	Residential Wiring II	3
IDFC	1007	Industrial Safety Procedures	2
IDFC	1011	Direct Current I	3

Estimated cost of books and supplies for full program is approximately \$750. OSHA Training fee \$120.

## SCHOOL OF INDUSTRIAL TECHNOLOGY

## Photography AAS Degree (CP13)

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall (occupational courses)\*  
 Length of Program ..... 6 Terms  
 Credit Hours Required for Graduation ..... 70

**\*Students may enroll in general education or learning support courses any term; however, the occupational course sequence begins fall term.**

**Purpose:** The Photography Associate of Applied Science degree program prepares students for employment in the diverse and growing field of photography. The Photography associate degree program provides learning opportunities that introduce, develop, and reinforce academic and occupational knowledge, skills, and attitudes required for job acquisition, retention, and advancement. Additionally, the program provides opportunities to upgrade present knowledge and skills or to retrain in the area of photography.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Courses****Credits****General Core Courses****Total 15 credit hours**

Area I Language Arts/Communication	3
ENGL 1101 Composition and Rhetoric (required)	
Area II Social/Behavioral Sciences	3
Area III Natural Sciences/Mathematics	3
<b>(one of the following required)</b>	
MATH 1103 Quantitative Skills and Reasoning	
MATH 1111 College Algebra	
MATH 1127 Introduction to Statistics	
Area IV Humanities/Fine Arts	3
General Education Elective from any area	3

*Contact program advisor for program-specific courses and see General Education Requirements for Associate Degrees for course options.*

**Occupational Courses****Total 55 credit hours**

COLL 1010 College and Career Success Skills	3
PHOT 1102 Visual Theory I	3
PHOT 1103 Camera Techniques I	3
PHOT 1104 Photographic Workshop I	3

Estimated cost of books and supplies for full program is approximately \$2,500.

**SCHOOL OF INDUSTRIAL TECHNOLOGY**  
**Precision Machining and Manufacturing AAS Degree (MT13)**

*Offered at Clarksville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 4 Terms  
 Credit Hours Required for Graduation ..... 66

**Purpose:** The Precision Machining and Manufacturing Associate of Applied Science degree program prepares students for careers the Machine Tool Technology field. Learning opportunities develop academic, technical, and professional knowledge and skills required for job acquisition, and advancement. The program emphasizes a combination of machine tool theory and practical application necessary for successful employment.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

Estimated cost of books and supplies for full program is approximately \$1,180.

**SCHOOL OF INDUSTRIAL TECHNOLOGY**  
**Basic Machining Operator Certificate (BMO1)**

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 2 Terms  
 Credit Hours Required for Graduation ..... 22

**Purpose:** The Basic Machining Operator certificate program prepares students for entry-level machine shop employment by providing the knowledge and skills in basic machining operations. Instruction is provided in blueprint reading, lathe, mill, and surface grinder operation, mathematical functions, and an introduction to the machine tool industry.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

<u>Program Courses</u>	<u>Credits</u>
MCHT 1011 Introduction to Machine tool	4
MCHT 1012 Print Reading for Machine Tool	3
MCHT 1013 Machine Tool Math	3
MCHT 1020 Heat Treatment and Surface Grinding	4
MCHT 1119 Lathe Operations I	4
MCHT 1120 Mill Operations I	4

Estimated cost of books and supplies for full program is approximately \$400.

**CNC Specialist Certificate (CS51)**

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 2 Terms  
 Credit Hours Required for Graduation ..... 22

**Purpose:** The CNC Specialist certificate program provides training for graduates to gain employment as Computerized Numerical Controls (CNC) machine tool technicians. Topics include CNC fundamentals, mill and lathe manual programming, CNC practical applications, and CAD/CAM programming. The program emphasizes a combination of CNC theory and practical application necessary for successful employment.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

<u>Program Courses</u>	<u>Credits</u>
AMCA 2110 CNC Fundamentals	4
AMCA 2130 CNC Mill Manual Programming	5
AMCA 2150 CNC Lathe Manual Programming	5
AMCA 2170 CNC Practical Applications	4
AMCA 2190 CAD/CAM Programming	4

Estimated cost of books and supplies for full program is approximately \$880.

**SCHOOL OF INDUSTRIAL TECHNOLOGY****Lathe Operator Certificate (LP11)***Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 2 Terms  
 Credit Hours Required for Graduation ..... 15

**Purpose:** The Lathe Operator certificate program prepares students to use lathes, lathe set up, and lathe tool grinding. Emphasis is placed on cutting threads, boring holes to precise measurements, and cutting tapers. Topics include an introduction to machine tool technology, blueprint reading for machine tool, and basic and advanced lathe operations.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Courses****Credits**

MCHT 1011	Introduction to Machine Tool	4
MCHT 1012	Print Reading for Machine Tool	3
MCHT 1119	Lathe Operations I	4
MCHT 1219	Lathe Operations II	4

Estimated cost of books and supplies for full program is approximately \$500.

**Mill Operator Certificate (MP11)***Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 2 Terms  
 Credit Hours Required for Graduation ..... 15

**Purpose:** The Mill Operator certificate program prepares students to effectively operate milling machinery. Students become proficient in blueprint reading, general mathematical operations, and are provided the necessary knowledge and skills to obtain employment as a milling machinist.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores
- Precision Machining and Manufacturing diploma, comparable coursework or Prior Learning Assessment required

**Program Courses****Credits**

MCHT 1011	Introduction to Machine Tool	4

Estimated cost of books and supplies for full program is approximately \$500.

SCHOOL OF INDUSTRIAL TECHNOLOGY  
Tool and Die Specialist Certificate (TA11)

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
Length of Program ..... 2 Terms  
Credit Hours Required for Graduation..... 18

**Purpose:** The Tool and Die Specialist certificate program provides students advanced study in machine tool technology to prepare students to become tool and die specialists. Program objectives are to provide a sequence of advanced courses in the area of Tool and Die and to provide advanced training for employees in the machine tool industry.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores
- Precision Machining and Manufacturing diploma, comparable coursework or Prior Learning Assessment required

<u>Program Courses</u>	<u>Credits</u>
AMCA 2205 Die Design I	5
AMCA 2210 Die Construction I	3
AMCA 2230 Die Design II	7
AMCA 2240 Die Construction II	3

Estimated cost of books and supplies for full program is approximately \$400.

**SCHOOL OF INDUSTRIAL TECHNOLOGY****Welding Technology Diploma (WT22)***Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 5 Terms  
 Credit Hours Required for Graduation ..... 50

**Purpose:** The Welding Technology diploma program prepares students for careers in the welding industry. Program learning opportunities develop academic, technical, and professional knowledge and skills required for job acquisition, retention, and advancement. Program graduates receive a Welding Technology diploma, have qualifications of a welding technician, and are prepared to take qualification tests required by industry. This program emphasizes welding theory and practical application necessary for successful employment.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirement:**

- A grade of “C” or better must be achieved in each occupational course in order to complete the program

**Program Courses****Credits****Basic Skills Courses****Total 9 credit hours**

WELD	1105	Gas Metal Arc Welding – Aluminum	3
WELD	1115	Gas Tungsten Arc Welding – Aluminum	3

Estimated cost of books and supplies for full program is approximately \$650. Additional fees - \$45 lab fee per occupational course.

**SCHOOL OF INDUSTRIAL TECHNOLOGY**  
**Gas Metal Arc Welding Certificate (GM21)**

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 1 Term  
 Credit Hours Required for Graduation..... 11

**Purpose:** The Gas Metal Arc Welding certificate program prepares students for welding careers in the MIG process. Topics include welding and cutting fundamentals, oxyfuel cutting techniques, and MIG welding techniques and processes.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirement:**

- A grade of “C” or better must be achieved in each course in order to complete program

<u>Program Courses</u>	<u>Credits</u>

WELD 1005 Welding and Cutting Fundamentals	3
WELD 1035 Gas Metal Arc and Flux-Cored Arc Welding	4

Estimated cost of books and supplies for full program is approximately \$350. Additional fees - \$45 lab fee per occupational course.

**Gas Tungsten Arc Welding Certificate (GT31)**

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 1 Term  
 Credit Hours Required for Graduation..... 10

**Purpose:** The Gas Tungsten Arc Welding certificate program provides students instruction in TIG welding techniques. Topics include understanding the nature and culture of the welding industry, oxyfuel cutting techniques, and TIG welding processes.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirement:**

- A grade of “C” or better must be achieved in each course in order to complete program

<u>Program Courses</u>	<u>Credits</u>

**SCHOOL OF INDUSTRIAL TECHNOLOGY**  
**Shielded Metal Arc Welding Certificate (SM21)**

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 1 Term  
 Credit Hours Required for Graduation..... 11

**Purpose:** The Shielded Metal Arc Welding certificate program prepares students for careers in the welding industry. This certificate emphasizes instruction in shielded metal arc welding in the overhead, horizontal, and vertical positions.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirement:**

- A grade of “C” or better must be achieved in each course in order to complete program

<u>Program Courses</u>	<u>Credits</u>
COFC 1080 Construction Trades Core	4
WELD 1005 Welding and Cutting Fundamentals	3
WELD 1015 Shielded Metal Arc Welding I	4

Estimated cost of books and supplies for full program is approximately \$350. Additional fees - \$45 lab fee per occupational course.

**SCHOOL OF PERSONAL SERVICES****Cosmetology Diploma (CO12)***Offered at Clarkesville and Blairsville Campuses*

Entrance Dates .....	Fall, Spring
Length of Program .....	4 Terms
Credit Hours Required for Graduation (1500 hours required by Licensing Board).....	53

**Purpose:** The Cosmetology diploma program prepares students for careers in the field of cosmetology. Learning opportunities develop academic and professional knowledge and skills required for job acquisition, retention, and advancement. The program emphasizes specialized training in safety, sanitation, state laws, rules and regulations, chemistry, anatomy and physiology, skin, hair, and nail diseases and disorders, hair treatments and manipulations, hair shaping, hair styling, artificial hair, braiding/intertwining hair, chemical reformation and application, skin and nail care, hair coloring, hair lightening, reception, sales, management, math, reading, writing, interpersonal relations development, computer skills, employability skills, and work ethics. The curriculum meets state licensing requirements of the State Board of Cosmetology. Program graduates receive a Cosmetology diploma and are employable as a cosmetology salesperson, cosmetologist, salon manager, or a salon owner after meeting the Georgia State Board of Cosmetology licensure requirements.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirements:**

- Must complete basic skills courses before entering the occupational courses which begin in the fall and spring
- Must purchase malpractice insurance for program occupational courses; fee is non-refundable once the student has attended at least one day of class
- It is recommended students have an up-to-date immunization record. Hepatitis (HBV) vaccination series is recommended, Tuberculosis (TB) test will be required
- Must have computer access

**Additional Information:**

- Must earn a grade of “C” (2.0 GPA) or better in all COSM courses and graduate from the program in order to be eligible for state licensure
- After obtaining a passing score on both the written and practical program examinations, a candidate must submit an application for licensure to the Georgia State Board of Cosmetology and Barbers with appropriate fee
- Passing the written and practical exams do not guarantee licensure of the Georgia State Board of Cosmetology and Barbers. All criminal convictions and any board sanctions must be reviewed by the Georgia State Board of Cosmetology and Barbers as a consideration for licensure
- Cosmetology classes will expire after 48 months and student will be required to retake Cosmetology courses
- Program requires online, classroom, lab, and practicum instruction
- Upon completion of the Cosmetology Diploma program, students will also receive the Hair Designer and the Salon and Spa Support Specialist certificates.
- After graduation, student has the option to continue their education in the Applied Technical Management Degree program

**Early Childhood Care and Education AAS Degree (EC13)**

*Offered at Clarkesville, Blairsville, and Currahee Campuses*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 6 Terms  
 Credit Hours Required for Graduation ..... 72

**Purpose:** The Early Childhood Care and Education Associate of Applied Science degree program prepares students for a variety of careers in the field of early childhood education. The program emphasizes a combination of early childhood care and education theory and practical application as well as general core competencies necessary for successful employment. Graduates have qualifications to be employed in early care and education settings including childcare centers, Head Start, Georgia Pre-K programs and elementary school paraprofessional positions.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirements:**

- Must purchase malpractice insurance for program occupational courses; fee is non-refundable once the student has attended at least one day of class
- An acceptable (negative) criminal background check is required prior to clinical, practicum or internship
- A grade of “C” or better must be achieved in occupational and specialization courses for graduation
- Must have CPR and First Aid Certification

**Program Courses**

## SCHOOL OF PERSONAL SERVICES

## Early Childhood Program Administration Certificate (ECP1)

*Offered at Clarkesville, Blairsville, and Currahee Campuses*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 1 Term  
 Credit Hours Required for Graduation..... 9

**Purpose:** The Early Childhood Program Administration certificate program prepares students for a job as manager of a childcare learning center or a group day care center. The program emphasizes child growth and development and management and administration issues involved in managing a childcare center. Graduates have qualifications to be employed in early care and education settings including childcare centers, Head Start, and Georgia Pre-K programs. To work in a childcare field, an employee must pass a criminal background check.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program requirements:**

- Must have CPR and First Aid Certification

**Program Courses****Credits**

ECCE	1103	Child Growth and Development	3
ECCE	2320	Program Admin and Facility Management	3
ECCE	2322	Personnel Management	3

*NOTE: To work as an Early Childhood Program Administrator, Bright from the Start (BFTS) has a minimum age requirement of 21.*

**SCHOOL OF PERSONAL SERVICES**  
**Early Childhood Care and Education Basics Certificate (EC31)**

*Offered at Clarkesville, Blairsville, and Currahee Campuses*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 1 Term  
 Credit Hours Required for Graduation..... 9

**Purpose:** The Early Childhood Care and Education Basics certificate program provides students an introductory course to the ECCE field, a child growth and development course, and health, safety, and nutrition course. Graduates have qualifications to be employed in early care and education settings including childcare centers, Head Start, and Georgia Pre-K programs. Bright from the Start (BFTS), the regulatory agency in Georgia, requires the basic knowledge included in this TCC for a person to be a lead teacher in a childcare center and family day care center. To work in a childcare field, an employee must pass a criminal background check.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores
- Must meet regular admissions criteria prior to graduation

**Program Requirements:**

- Must have CPR and First Aid Certification

<u>Program Courses</u>	<u>Credits</u>
ECCE 1101 Introduction to Early Childhood Care and Education	3
ECCE 1103 Child Growth and Development	3

Estimated cost of books and supplies for full program is approximately \$300.

**SCHOOL OF TRANSPORTATION**  
**Automotive Collision Repair Diploma (ACR2)**

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 3 Terms  
 Credit Hours Required for Graduation.....depending upon specialization 35-38

**Purpose:** The Automotive Collision Repair diploma program is a sequence of courses designed to prepare students for careers in the automotive collision repair profession. Learning opportunities develop academic, technical, and professional knowledge and skills required for job acquisition, retention, and advancement. The program emphasizes either major automotive collision repair, automotive painting and refinishing, or mechanical and electrical systems depending on the specialization area a student chooses to complete. Program graduates receive an Auto Collision Repair diploma which qualifies them as major collision repair technicians, painting and refinishing technicians, or mechanical and electrical helpers.

**Admission Requirements:**

- Age 16 or older or student with dual/joint enrollment in high school or GED® students seeking access to quality instruction at the postsecondary level
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores

**Program Requirements:**

- A grade of “C” or better must be achieved in each occupational course in order to complete the program

**SCHOOL OF TRANSPORTATION**  
**Commercial Truck Driving Certificate (CT61)**

*Offered at Clarkesville Campus*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... 8 weeks  
 Credit Hours Required for Graduation..... 9

**Purpose:** The Commercial Truck Driving certificate program provides basic training in the principles and skills of commercial truck operations. The program is based on the definition of a truck driver as one who operates a commercial motor vehicle of all different sizes and descriptions on all types of roads. At the completion of the program, the student is administered the Georgia CDL Skills Exam.

**Admission Requirements:**

- Age 21 or older with proof of age (18–20-year-olds may take the course, however, they may only drive a commercial truck in the state of Georgia)
- Completion of application process including placement test; or provide SAT or ACT scores
- Valid Driver's License
- If you are an out-of-state student: North Georgia Technical College (NGTC) adheres to the Technical College System of Georgia (TCSG) procedure 6.6.1p. Student Tuition and Fees, Item VI – Out of State Students shall be enrolled in the college on a space available basis and shall not displace any Georgia student desiring to enroll in the college. If there are remaining seats unfilled, out-of-state students will be added as indicated in the competitive admissions process

**Program Requirements:**

- Must submit MVR for the last 7 years with no more than 8 points, 3 moving violations, and no DUI within the last 3 years; report must be within 30 days prior to the beginning of class.
- Must submit report of DOT physical completed within 30 days prior to beginning class.
- Obtain a Class A CDL permit.
- Must submit negative 5-panel DOT drug screen 7 days prior to first day of class.
- Subject to random drug/alcohol screening.
- Must enroll in Federal Motor Carrier Safety Administration Drug and Alcohol Clearinghouse.
- Must comply with US Department of Transportation (DOT) regulations in parts 40, 382, 383 and 391, as well as State and/or local laws, related to alcohol and controlled substances testing, age, medical certification, licensing, and driver records, as required by §380.707(a).

**Program Courses**

**Credits**

CTDL 1010	Fundamentals of Commercial Driving	3
CTDL 1021	Combination Vehicle Basic Operation and Range Work	3
CTDL 1031	Combination Vehicle Advanced Operations	3

Estimated cost of books and supplies for full program is approximately \$100. Additional costs include fuel surcharge of \$235 and drug screen \$35.

**SCHOOL OF TRANSPORTATION****Electrical Lineworker with Pintle Hook Restriction Certificate (EL21)***Offered at Clarkesville and Blairsville Campuses*

Entrance Dates ..... Fall, Spring, Summer  
 Length of Program ..... Fall and Spring Semesters are 8 weeks, Summer Semester is 10 weeks  
 Credit Hours Required for Graduation ..... 13

**Purpose:** The Electrical Lineworker with Pintle Hook Restriction certificate program provides students with the necessary knowledge and skills to gain employment as an entry-level lineworker with electrical utility companies, both public and private. Upon successful completion of this program, students meet the federal requirements to test for their Class A license with Pintle Hook Restriction. Topics include fundamentals of commercial driving, CDL road and range driving, lineworker organizational principles, general electrical safety, basic electric fundamentals, lineman simulations, observation-based instruction, interview skills, problem solving, work ethics, and communication skills.

**Admission Requirements:**

- Age 18 or older
- High school diploma or GED®
- Completion of application process including placement test; or provide SAT or ACT scores
- Must be program ready; no learning support courses
- Valid Class C driver's license and a current up-to-date medical card
- If you are an out-of-state student: North Georgia Technical College (NGTC) adheres to the Technical College System of Georgia (TCSG) procedure 6.6.1p. Student Tuition and Fees, Item VI – Out of State Students shall be enrolled in the college on a space available basis and shall not displace any Georgia student desiring to enroll in the college. If there are remaining seats unfilled, out-of-state students will be added as indicated in the competitive admissions process

**Program Requirements:**

- Student must meet weight requirements for equipment per manufacturer's recommendation
- Have Class A CDL Permit
- Must submit MVR for the last 7 years with no more than 8 points, 3 moving violations, and no DUI within the last 3 years; report must be within 30 days prior to the beginning of class
- Must submit report of DOT physical completed within 30 days prior to beginning class
- Must submit negative 5-panel DOT drug screen seven days prior to first day of class
- Students will be subject to random drug/alcohol screening
- Must enroll in Federal Motor Carrier Safety Administration Drug and Alcohol Clearinghouse
