August 2024

SCHOOL OF AGRICULTURE AND ENVIRONMENTAL STUDIES Agribusiness AAS Degree (AG13)

Offered at Clarkesville Campus

Entrance Dates	Fall, Spring, Summer
Length of Program	
Credit Hours Required for Graduation	

Purpose: The Agribusiness Associate of Applied Science degree program is the study of the business and economics of agribusiness firms. Agribusiness possesses many unique challenges and opportunities including risks and uncertainties of agricultural production, reliance on natural resources, government involvement with food and agriculture, competitive nature of the agribusiness sector, innovative technology within commercial agriculture and food processing, and global impacts of food and agriculture. The agribusiness curriculum allows individuals to gain an appreciation for management and technology concepts needed for the agricultural industry. This program develops knowledge and skills in management, production, and marketing as related to agribusiness management.

Admission Requirements:

Page **161** of **389**
