Orientation

Orientation at North Georgia Technical College is called the Wolf Pack Program and it is housed on the Blackboard learning platform. It will be made available to all new students upon acceptance (45 days prior to the semester start date) and up until midterm of their first semester of enrollment. Orientation includes vital information for new students to start college with the information needed about registration, financial aid, student activities, services, technology and more to help students succeed and achieve their academic goals to graduate. Orientation is mandatory for all new students and a grade of S (satisfactory) or U (unsatisfactory) will show up on a student's transcript showing their completion of the Wolf Pack Program Orientation.

Visitors

Visitors are welcome at North Georgia Technical College. Individuals or groups (high school classes, clubs and organizations) wishing to visit a NGTC campus location may contact the receptionist at the campus location of interest to schedule a visit.

All visitors are required to report to the receptionist when they arrive on campus. A visitor's presence in a classroom or lab area is allowed in a very limited time frame, generally in conjunction with a scheduled tour.

GOAL (Georgia Occupational Award of Leadership)

The Georgia Occupational Award of Leadership (GOAL) program began in 1971 to recognize excellence in technical education and the Student of the Year for Georgia's technical colleges. Outstanding students attending North Georgia Technical College are nominated by their instructors based on academic excellence and personal leadership. As these promising students move through the process, they compete through interviews and presentations. The college's GOAL winner is selected to represent his/ her fellow students, along with winners from all of the technical colleges across the state, at the State GOAL competition. At the state level, judges select one student, the State GOAL winner, to serve as an ambassador for technical education in Georgia.

Student Success Coach Program

The Student Success Coaching Program at North Georgia Technical College provides support and services for students through relationships established with a designated Coach during their time of enrollment. Many students will be introduced to the program during NGTC's College and Career Success Skills (College 1010) course. Coaches will assist students on Academic Warning or Probation and students who are working through an academic plan. Coaches are located at each campus. The primary goal of the program and each Student Success Coach is to help students develop the skills and strategies necessary to be successful in their program of study, to graduate and ultimately to be better equipped to find employment in their chosen field.

Health Awareness Programs

The purpose of student health awareness programs is to provide information to the students to enable them to maintain a healthy lifestyle. Health and wellness information is provided throughout the year by the Campus Life staff on topics such as smoking cessation, proper nutrition, fitness weight loss, alcohol and drug awareness, and others.

North Georgia Technical College Behavioral Intervention Team – PackCARE

PackCARE = Protecting the Pack with Care – Awareness – Respect – Encouragement

PackCARE is dedicated to a proactive, coordinated, and planned approach to the identification, prevention, assessment, management, and reduction of interpersonal and behavioral threats to the safety and well-being of the North Georgia Technical College community.

NGTC seeks to provide a safe and supportive learning environment for our students and staff. To ensure the ongoing safety of our campuses, NGTC has designated a team of staff to respond to concerns about mental health or dangerous behaviors. This team, called PackCARE, coordinates a variety of resources for students and staff in need of assistance, including those with mental health issues, dangerous or distressing behaviors, relationship problems, substance use and addiction, and other concerns.

The team does not replace disciplinary processes, classroom management, other programs and services, and/or public safety response to incidents. PackCARE works within all current college policies and coordinates resources to help students achieve success.

PackCARE is not an emergency response team. If you are experiencing an emergency or critical incident, contact 9-1-1

PackCARE Goals:

1. Provide a safe environment for the college community;
2. Focus on assessing and taking action on behaviors at the lower end of escalation to prevent threats or violence;
3. Support students, employees, and visitors before a crisis occurs.

What to Report

In general, any behavior that causes concern for a student, faculty, or staff member's safety or well-being should be reported.

How to Report

Follow the link below to share your concerns: https://cm.maxient.com/reportingform.php?NorthGeorgiaTC&layout_id=3

What Happens to a Behavioral Report Form?

Animals on Campus

Service and Emotional Support Animals

Service Animals

The following information is listed to provide guidelines regarding pets and animals on the North Georgia Technical College campuses to ensure that animals do not become a threat, health hazard or nuisance to students, faculty, staff and visitors or a distraction to NGTC activities and ensure compliance with federal, state, and local laws and regulations.

According to the Americans with Disabilities Act (ADA) **Service Animals are defined as dogs that are individually trained to do work or perform tasks for people with disabilities.** Examples of such work or tasks include guiding people who are blind, alerting people who are deaf, pulling a wheelchair, or alerting and protecting a person who is having a seizure. Service animals are working animals, not pets. The work or task a dog has been trained to provide must be directly related to the person's disability.

Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA.

Under certain guidelines ponies may be recognized as service animals also. **In addition to the provisions about service dogs, the Department's ADA regulations have a separate provision about miniature horses that have been individually trained to do work or perform tasks for people with disabilities.** (Miniature horses generally range in height from 24 inches to 34 inches measured to the shoulders and generally weigh between 70 and 100 pounds.) Entities covered by the ADA must modify their policies to permit miniature horses where reasonable. The regulations set out four assessment factors to assist entities in determining whether miniature horses can be accommodated in their facility. The assessment factors are (1) whether the miniature horse is housebroken; (2) whether the miniature horse is under the owner's control; (3) whether the facility can accommodate the miniature horse's type, size, and weight; and (4) whether the miniature horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility.

STUDENT AFFAIRS

Under the ADA, State and local governments, businesses, and nonprofit organizations that serve the public generally must allow service animals to accompany people with disabilities in all areas of the facility where the public is allowed to go except where it would be a hazard or compromise a sterile environment. For example, in a hospital it usually would be inappropriate to exclude a service animal from areas such as patient rooms, clinics, cafeterias, or examination rooms. However, it may be appropriate to exclude a service animal from certain labs and classrooms where the animal's presence may compromise student safety or a sterile environment.

Rights and Responsibilities

A service animal must be under the control of its handler. Under the ADA, service animals must be harnessed, leashed, or tethered, unless the individual's disability prevents using these devices or these devices interfere with the service animal's safe, effective performance of tasks. In that case, the individual must maintain control of the animal through voice, signal, or other effective controls.

When it is not obvious what service an animal provides, only limited inquiries are allowed. Faculty/staff may ask two questions: (1) is the dog a service animal required because of a disability, and (2) what work or task the dog has been trained to perform. Faculty/staff cannot ask about the person's disability, require medical documentation, require a special identification card or training documentation for the dog, or ask that the dog demonstrate its ability to perform the work or task.

- Allergies and fear of dogs are not valid reasons for denying access or refusing service to people using service animals. When a person who is allergic to dog dander and a person who uses a service animal must spend time in the same room or facility, for example, in a school classroom or at a homeless shelter, they both should be accommodated by assigning them, if possible, to different locations within the room or different rooms in the facility.
- A person with a disability cannot be asked to remove his service animal from the premises unless: (1) the dog is out of control and the handler does not take effective action to control it or (2) the dog is not housebroken. When there is a legitimate reason to ask that a service animal be removed, staff must offer the person with the disability the opportunity to obtain services without the animal's presence.
- Establishments that sell or prepare food must generally allow service animals in public areas even if state or local health codes prohibit animals on the premises.
- People with disabilities who use service animals cannot be isolated from others, treated less favorably than others, or charged fees that are not charged to others without animals. In addition, if a business requires a deposit or fee to be paid by others with pets, it must waive the charge for service animals.
- NGTC staff are not required to provide care for or supervision of a service animal.

Responsibilities of the College

Exceptions to any provisions of this guideline will be considered on a case-by-case basis. The written request for exception is submitted to the Disability Service office not less than five business days prior to the effective date of such exception.

The Disability Services Coordinator will consult with other appropriate members of the college community in an interactive process, considering all of the relevant facts and circumstances.

Emotional Support Animals

North Georgia Technical College (NGTC) provides reasonable accommodations to students living on campus with a documented disability. The Fair Housing Act (FHA) does not limit the rights of a person

STUDENT AFFAIRS

with a disability to the ADA definition of a service animal, but instead identifies emotional support animals as an accommodation. The Department of Justice considers residence halls to be dwellings under the definitions of the FHA, and so this policy applies to students with disabilities living in an NGTC residence hall.

Definition of Emotional Support Animal

Under the federal Fair Housing Act (FHA), an emotional support animal is viewed as a reasonable accommodation in a housing unit that has a “no pets” rule for its residents. An emotional support animal is an animal (typically a dog or cat) that provides a therapeutic benefit to its owner by alleviating or mitigating some of the symptoms of the disability (companionship alone does not satisfy this requirement).

An emotional support animal is not a pet, and the person wishing to have an emotional support animal in the Residence Hall must have a verifiable disability and a related need. Unlike a service animal, the emotional support animal is not specifically trained to perform tasks for a person with a disability and is not granted access to places of public accommodation, such as classrooms.

Notification

Students are required to register the emotional support animal with Disability Support Services.

Rights and Responsibilities

For an emotional support animal to be permitted to reside on campus, the handler must register the emotional support animal with Disability Support Services. The student will provide documentation verifying:

1. The student has a disability,
2. The animal is necessary to afford the person with a disability an equal opportunity to use and enjoy a dwelling; and,
3. There is an identifiable relationship between the disability and the emotional support the animal provides.

To qualify for this accommodation, a student must meet the federal definition of disability and must provide supporting documentation, such as a letter, from a physician or other medical professional, stating that the student has a disability and that the Emotional Support Animal provides a benefit for the individual with the disability.

The student will identify and obtain the signature of another individual who will provide care and maintenance for the Emotional Support Animal if the student becomes incapacitated or is unable to care for the animal. The student will give the College permission to contact their animal’s veterinarian and the student will submit additional documentation if needed.

All emotional support animals, if taken outside the private residential area, must wear identification tags with contact information and rabies tag. All emotional support animals must be housed in acceptable conditions within the residential area (i.e., appropriately sized crate/carrier, ability to move freely through the dorm room etc.). All emotional support animals must be treated humanely. If mistreatment is reported, the Campus Life Director will review the report with the resident. An NGTC discipline may be initiated because of a report of mistreatment.

The student is always responsible for the actions of his or her animal. If the student violates any provision of this policy, he or she may be required to immediately remove the animal from NGTC housing.

STUDENT AFFAIRS**The Student**

- Is responsible for the upkeep and necessary care of the animal.
- Is responsible for any odors, noise, damage, bodily injury, or other conduct of his or her animal that disturbs others or causes damage.
- Is responsible for all costs of returning the residence hall unit to the condition it was in at move-in. Property damage such as pet odors, stains, or dander may require cleaning or replacement of furniture, carpet, blinds, etc.
- Must have the emotional support animal only in common indoor areas of the residence hall as needed to enter or exit the building.
- Must keep the emotional support animal on a leash/lead or animal carrier when the animal is in the common areas of the residence hall for exit and entrance to the building.
- Must immediately retrieve outdoor animal waste, such as animal feces, place in a plastic bag and securely tie before being disposed of in outside trash dumpsters.
- Must use only the designated area for walking the emotional support animal. See attachment A
- Must insure that the emotional support animal does not interfere with the routine of the residence hall or cause difficulties for students who reside in the unit.
- Must show sensitivity to residents with allergies and to those who fear animals, as this is important to ensure a positive residential community.
- Must inform others about appropriate interactions with the animal and set clear expectations.
- Must ensure that the emotional support animal is housebroken. (Note: An approved feline Emotional Support Animal must have a litter box located in the student's dorm room. The litter box must never cause a noticeable odor inside or outside the student's dorm room.) Emotional support animals will be excluded from the NGTC residence hall if they are not. In the event of an isolated incident of an emotional support animal failing to control its bodily eliminations due to illness or accident, the student is responsible for immediately and properly cleaning up and disposing of bodily fluids or solid waste from the emotional support animal whether indoors or outdoors. A Resident Assistant (RA) should be notified after clean-up is complete.
- Must not leave the animal in the residence hall for more than 12 hours without the student, and may not leave the animal overnight, or in the care of anyone else.

Student Affairs

- Will notify roommates about the approved emotional support animal, to include the type and size. (Roommates may request a room change from Dean of Student Affairs if they desire to do so.)
- May exclude an emotional support animal from housing if it:
 - Poses a direct threat to the health or safety of others,
 - Causes substantial physical damage to the property of others,
 - Poses an undue financial and administrative burden.

NGTC

- Cannot require an additional room deposit for an emotional support animal.
- Will not be responsible for the upkeep and care of an emotional support animal.

Student Rights and Responsibilities

Student Right to Know

Every postsecondary education institution is required by law to disclose its graduation rate annually. The 2019 graduation rate, based on the TCSG data center, is 67.1%.

Privacy of Student Records – Family Educational Rights and Privacy Act (FERPA) and Applicant Records
The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

1. The right to inspect and review the student’s education records within 45 days after the day the college receives a request for access. A student should submit to the FERPA Coordinator a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student’s education records that the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.
3. The right to provide written consent before the college discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

The school discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the college in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees or board of directors; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of the college who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibilities for the college.

1. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the college to comply with the requirements of FERPA. The name and address of the Office that

administers FERPA is:

This person may also offer advice and support from the time the Notice of Formal Complaint is issued and may attend any meetings involved in the investigatory process but may not speak on behalf of the party during such meetings. The Advisor may be chosen by the Party and is permitted to be, but need not be, an attorney. If either Party is unable to select an Advisor, TCSG will furnish an Advisor to the Party. The Advisors are intended to maintain Privacy and confidentiality to the extent permitted by law.

Affirmative Consent: affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that the person has the Affirmative Consent of the other or others to engage in the sexual activity. Affirmative Consent also cannot be procured by duress or intimidation, or by the use of anesthetizing or intoxicating substances. Affirmative Consent must be ongoing throughout a sexual activity and can be revoked at any time. Affirmative Consent may be based on a condition(s), e.g., the use of a condom, and that condition(s) must continue to be met throughout an activity, unless there is mutual agreement to forego or change the condition. Employee: any individual employed in a full or part time capacity in any TCSG work unit or technical college.

Expert Witness: a Witness identified by a Party or the Title IX Office that has special expertise in a technical matter, such as forensic evidence.

Incapacitation is not necessarily the same as legal intoxication.

STUDENT AFFAIRS

Informal Resolution: a voluntary process that the Parties may consent to participate in, as described in Section IV.F.

Initial Report: a report of conduct that may constitute Title IX Prohibited Conduct, which may be made by any individual, even if not the person alleged to have experienced the conduct. Intimidation: includes any threatening statement or conduct made with the intent to prevent or dissuade any Party or Witness from reporting or participating in the Title IX Procedure.

Party/Parties: the generic or collective term used to refer to Complainant(s) and Respondent(s).

Preponderance of the Evidence: the standard of proof used by the Investigator and the Decision-Maker. A finding by the Preponderance of the Evidence means that the credible evidence on one side outweighs the credible evidence on the other side, such that, as a whole, it is more likely than not that the alleged fact or conduct occurred. It does not mean that a greater number of Witnesses or documents is offered on one side or the other, but that the quality or significance of the evidence

STUDENT AFFAIRS

offered in support of one side is more convincing than the evidence in opposition.

President: the chief executive officer responsible for the management and operation of the technical college where the complainant and/or accused violator are enrolled or employed.

Privacy: means that information related to a complaint will be shared with only a limited number of TCSG employees who “need to know” in order to assist in the assessment, investigation, and resolution of the report. All employees who are responsible for TCSG’s response to Title IX Prohibited Conduct receive specific training and guidance about sharing and safeguarding private information in accordance with state and federal law. The privacy of student education records will be protected in accordance with the Family Educational Rights and Privacy Act (“FERPA”), and the privacy of employee records will be protected in accordance with Georgia law and TCSG policy.

Rebuttal Evidence: evidence presented to contradict other evidence in the Hearing File, which could not have been reasonably anticipated by a Party to be relevant information at the time of the Investigation.

Remedies: individualized measures implemented after a Hearing or as part of an Informal Resolution that are designed to restore or preserve equal access to College Programs or Activities, and may include Supportive Measures, but need not be non-disciplinary or non-punitive and need not avoid burdening the Respondent.

Respondent: the person alleged to have engaged in Title IX Prohibited Conduct.

Retaliation: includes, but is not limited to, adverse action related to employment, academic opportunities, participation in TCSG and/or College programs or activities, or similar punitive action taken against an individual because that person has made an Initial Report or Formal Complaint, responded to a Formal Complaint, testified, assisted, or participated or refused to participate in any manner in an Investigation, proceeding, or Hearing.

Sanctions: individualized measures implemented after a Hearing that may be disciplinary in nature.

Sexual Assault: any of the following acts:

- TCSG Usage for Statement of Equal Opportunity: North Georgia Technical College does not discriminate on the basis of race, color, national origin, sex, age, or disability.

VI. PROCEDURE:**A. Administration and Implementation**

1. Each college president shall designate one or more officials to serve as the Title IX Coordinator and post contact information for the coordinator and the TCSG's Statement of Equal Opportunity in electronic or written college publications and academic materials as described in the TCSG Usage for Statement of Equal Opportunity (e.g. bulletin boards, the college website, catalogs, student and employee handbooks, orientation materials, and fliers). The college president will ensure the designated officials have received appropriate training.
2. Instructors/administrators must take ongoing proactive steps to ensure educational opportunities (to include classrooms, clinics, labs, programs, etc.) and student activities (clubs, sports, etc.) are accessible and free from any type of sex discrimination or harassment.
3. The Compliance Officer will coordinate training programs and monitor the colleges to ensure the correct administration and implementation of this procedure and will ensure that proactive or corrective measures have been taken to prevent sex discrimination and sexual misconduct. The training materials will be posted on the college's website or made available for members of the public to inspect.
4. Colleges are required to provide sexual harassment and sexual violence prevention training to students and employees and to provide programs for ongoing awareness training as required

STUDENT AFFAIRS

by VAWA and the Clery Act. As of the effective date of this procedure, colleges have been provided the Haven training modules for this purpose and are required to incorporate the training in new student and employee orientation activities.

5. Each technical college shall publish a list of local sources for counseling, support and advocacy in conjunction with the publishing of this procedure. (See attachment for sample format) Individuals who report sexual violence, sexual assault, stalking or dating/domestic violence will be provided with and/or referred to the list of resources.
- B. Reporting and Management Action
1. All students are encouraged to report incidents of sex discrimination and sexual misconduct against themselves or others to the Title IX Coordinator at the technical college. The Title IX regulations define “sexual harassment” to include three types of misconduct on the basis of sex which jeopardize the equal access to education that Title IX is designed to protect. These types of misconduct include: any instance of quid pro quo harassment by a TCSG and/or College employee; any conduct on the basis of sex that in the view of a reasonable person is so severe and pervasive and objectively offensive that it effectively denies a person equal access to a TCSG and/or College education program or activity; and any instance of sexual assault, dating violence, domestic violence, or stalking (collectively “Title IX Prohibited Conduct,” as defined in this Procedure). Students may find contact information for the Title IX Coordinator on the technical college website, and in the student handbook and college catalog. Complaints may also be emailed to unlawfulharassment@tcsgeu.edu.
 2. To utilize this procedure, a Complainant must file a Formal Complaint which is defined herein as a document filed and signed by a Complainant or filed and signed by the Title IX Coordinator alleging Title IX Prohibited Conduct against a Respondent and requesting that TCSG investigate the allegations
 3. Any allegation of sex discrimination, sexual misconduct or retaliation against employees must be reported to the Human Resources Director and the Title IX Coordinator.
 4. All allegations of sex discrimination and sexual misconduct on one of TCSG’s college campuses or clinical locations must be reported to the Title IX Coordinator regardless of whether the allegations involve students or employees. All students, faculty, staff, and others participating in TCSG and/or College programs and activities in the United States are subject to this Title IX Procedure. If the allegations do not fall within the jurisdiction under this procedure, they may be referred and processed under the student code of conduct procedure.
 5. Students have the right to file (or not to file) a criminal complaint for sexual violence with the local law enforcement authorities before, during, or after filing a complaint with the college. The investigation under this procedure shall not be unreasonably delayed to await the outcome of any criminal investigation. Sexual violence reports made to the Title IX Coordinator will be investigated and adjudicated separately from any criminal complaints. A student may request that the Title IX Coordinator and/or the Investigator assist the student with notifying local law enforcement authorities. If a technical college’s campus law enforcement receives a complaint alleging sexual harassment and/or sexual misconduct as defined in this procedure, the Title IX Coordinator for the college shall be immediately notified so that appropriate action may be taken by the Title IX Coordinator regarding the complaint.
 6. If a student filing a complaint alleging sexual misconduct requests confidentiality, anonymity or asks that the complaint not be pursued, the college must inform the complainant that its ability to respond may be limited, that retaliation for filing a complaint is prohibited, and that steps to prevent harassment and retaliation will be taken. Consistent with the request, all reasonable steps to investigate and respond to the complaint should be made and other steps to limit the effects or recurrence of the alleged misconduct will be taken.

STUDENT AFFAIRS

7. Regardless of a student's request for confidentiality, anonymity of a complaint, or a request that a complaint not be pursued, if the complaint includes allegations of sexual assault, sexual violence, domestic violence, dating violence, or stalking, the Title IX Coordinator must report the incident to campus law enforcement for inclusion in the college's Annual Security Report ("ASR"). The complainant should be informed that their name will not be disclosed to campus law enforcement if they have requested confidentiality during the processing of the complaint.
8. Colleges may weigh a request for confidentiality, anonymity or a request they not pursue a complaint considering the following factors: the seriousness of the alleged conduct, the complainant's age, and the respondent's right to receive information about the allegations if the information is maintained as an "education record" under FERPA. The college must inform the complainant if the request cannot be granted and the reasons for the denial.
9. Reports concerning all prohibited conduct referenced in this procedure will be processed confidentially to the extent permitted by law; communications regarding complaints will be disseminated to others on a need-to-know basis to ensure that necessary steps are taken to protect the community as a whole and that appropriate corrective actions are considered and taken.
10. If an allegation of sex discrimination or sexual misconduct is made to an employee not designated to receive such reports, the employee receiving the complaint must report the allegation to the Title IX Coordinator. The College must take corrective actions to stop harassment to which it has notice, prevent recurrence of the harassment, and remedy the effects on the complainant promptly and effectively. The College will be deemed to have notice if a responsible employee knew, or in the exercise of reasonable care should have known, about the harassment. A responsible employee includes any employee who has the authority to take action to redress the harassment, who has a duty to report the harassment to the Title IX Coordinator, or who a student could reasonably believe has this authority or responsibility, including instructors and staff at the college.
11. Allegations of any sexual conduct involving individuals under the age of 18 must also be reported as an allegation of child abuse as outlined in O.C.G.A. § 19-7-5.
12. Supportive measures must be offered to the complainant by the college president or the Title IX Coordinator or his/her designee before the final outcome of an investigation and until final resolution of the allegations if failure to take the interim measures would constitute an immediate threat to the safety and well-being of the complainant, the respondent, or other members of the college, or to ensure equal access to the college's programs and activities. Supportive measures may include: adjustments to academic workload (including extending deadlines); adjustment to class or work schedules; no contact orders; and suspensions, transfers or reassignments in order to prevent further harassment, discrimination, sexual violence or retaliation, to facilitate the investigation, or to implement preventive or corrective actions under this procedure; informal resolutions or discretionary dismissals.
 - 1) Discretionary Dismissal.
 - a) TCSG and/or the College may dismiss the Formal Complaint if:
 - i) The Respondent is no longer enrolled or employed by TCSG and/or the College;
 - ii) Specific circumstances prevent TCSG and/or the College from gathering sufficient evidence to reach a determination; or
 - iii) The Complainant informs the Title IX Coordinator in writing that the Complainant desires to withdraw the Formal Complaint or allegations therein.
 - b) A Complainant may notify the Title IX Coordinator at any time that the Complainant does not wish to proceed with the Investigation and/or Hearing process. If such a

STUDENT AFFAIRS

request is received, the Title IX Coordinator will inform the Complainant that the TCSG and/or the College's ability to respond to the allegation may be limited if the allegations are withdrawn.

- c) The Title IX Coordinator will consider the relevant factors in reaching a determination as to whether to terminate the Investigation and/or Hearing process. In the event that the Title IX Coordinator determines that the Investigation will continue, the Title IX Coordinator will notify the Complainant of that determination. The Title IX Coordinator will include in that notification a statement that the Complainant is not required to participate in the Investigation and/or Hearing process but that the process will continue. In the event that the Title IX Coordinator determines that the Investigation will be terminated, both Parties will be notified.

C. Investigations

1. All complaints of prohibited conduct under this procedure will be reported immediately to the Investigator who will be responsible for conducting the investigation in a fair, prompt, and impartial manner.
2. The Investigator shall disclose to the TCSG Compliance Officer any relationship with the parties that could call into question his/her ability to be objective prior to taking any action with respect to the investigation. The TCSG Compliance Officer will reassign alternate individuals if necessary.
3. The Investigator shall send written notice to both parties of the allegations upon receipt of a formal complaint.
4. Either the complaining party or the respondent may challenge the Investigator or designee to recommend corrective action on the grounds of personal bias by submitting a written statement to the TCSG Compliance Officer setting forth the basis for the challenge no later than 3 business days after the party reasonably should have known of the alleged bias. The TCSG Compliance Officer will determine whether to sustain or deny the challenge.
5. The investigation should be completed within 45 business days of the receipt of the complaint by the Investigator. The investigator will notify the parties and the Title IX Coordinator, in writing (typically by email), if extraordinary circumstances exist requiring additional time.
6. The parties will be notified within 5 business days of receipt of the complaint by the Investigator if the complaint does not specify facts sufficient to allege sex discrimination, harassment, sexual violence or retaliation, or if the allegations of sexual misconduct did not occur in the college's education program or activity against the complaining party while he or she was located in the United States, and that a formal investigation will not be conducted pursuant to this procedure, although a referral and investigation may be made by the Title IX Coordinator as to some or all of the matter for consideration under other applicable TCSG policy or procedure, if any. The complaining party may appeal the decision in writing to the president within 5 business days of receiving the notice. The president's decision will be final.
7. Individuals designated to investigate or recommend corrective actions in response to allegations of sexual misconduct will be trained annually to conduct investigations in a manner that protects the safety of complainants, promotes fairness of the process and accountability.
8. Investigations will be conducted by gathering relevant information and interviewing appropriate witnesses.
 - a) It is important that all parties preserve any documents or other evidence which may pertain to the investigation.
 - b) Any medically related evidence is best preserved by trained medical personnel.
 - c) Students are encouraged to seek medical services both for treatment and preservation of

STUDENT AFFAIRS

any medical evidence.

9. Both the complaining party and the respondent (the parties) will be given equal opportunity to identify witnesses and offer evidence in person or in writing. Best efforts will be made to interview all witnesses identified by the parties. If a witness identified by either party is not interviewed during the investigation, an explanation for the decision not to interview the witness should be documented in the investigatory report. Both parties will be given timely notice of meetings at which one or the other or both parties may be present. Both the complaining party and the respondent may be accompanied by an advisor of his or her choice during any meetings involved in the investigatory process in which the advisee is also eligible to be present. However, the advisor may not speak on behalf of the party.
10. Any evidence collected during the investigation should be maintained in accordance with the record retention requirements below. Personally identifiable information, including, but not limited to home address, telephone number, student ID or social security number should not be maintained in investigative records.
11. A report of investigation will be provided to the college's Title IX Coordinator within five (5) business days of completion of the investigation. The Title IX Coordinator will provide both parties simultaneously with a copy of the report and any supporting evidence. The parties shall be given ten (10) calendar days from receipt of the report to respond to the report and the supporting evidence, which must be considered by the Investigator before finalizing the report. Any information prohibited from disclosure by law or policy will be redacted from any documents prior to distribution. With regard to complaints of sexual misconduct, disclosures made to comply with the Violence Against Women Reauthorization Act ("VAWA") do not constitute a violation of FERPA.
12. If the Investigator determines that all or some of the allegations made in the complaint are substantiated and that the conduct at issue constitutes a violation of this or other applicable procedure, the Title IX Coordinator shall forward the report to the appropriate officials at the college for further action in accordance with the provisions below and the college's Student Code of Conduct and Disciplinary Procedure or the Positive Discipline Procedure for employees.

D. Hearings

1. Format of Hearing:
 - a) Hearings may be conducted with all Parties physically present in the same geographic location or, at the discretion of the Decision Maker, any or all Parties, Witnesses, and other participants may appear at the live Hearing virtually, with technology enabling participants simultaneously to see and hear each other.
 - b) At the request of either Party, TCSG will provide for the Hearing to occur with the Parties located in separate rooms with technology enabling the decision-maker(s) and Parties to simultaneously see and hear the Party or the Witness answering questions.
2. Recording of Hearing:
 - a) Hearings will be transcribed or recorded through audio or audiovisual means, and TCSG and/or the College will make the transcript or recording available to the Parties for inspection and review upon request.
3. Role of Advisor:
 - a) If a Party does not have an Advisor present at the Hearing, TCSG and/or the College will provide, without fee or charge to that Party, an Advisor of TCSG and/or the College's choice, who may be, but is not required to be, an attorney, to conduct cross-examination on behalf of that Party.
4. Role of the Decision-Maker:

STUDENT AFFAIRS

- a) The Decision-Maker will:
 - i) Be a professional appointed by the TCSG Commissioner who is experienced and trained in adjudicating matters of civil rights, sexual harassment and/or sexual violence and trained on this Title IX Procedure;
 - ii) Preside over the Hearing and will issue the Written Determination Regarding Responsibility;
 - iii) Be identified to the Parties before the Hearing at least three calendar days prior to the Hearing.
- b) Conflict of Interest:
 - i) No person who has a conflict of interest may serve as the Decision Maker.
 - ii) A conflict of interest exists if the Decision-Maker has prior involvement in or knowledge of the allegations at issue in the case, has a personal relationship with one of the Parties or Witnesses, or has some other source of bias.
 - iii) Either Party may assert, in writing, that a Decision-Maker has a conflict of interest.
 - iv) A request to recuse a Decision-Maker based on a conflict must be submitted to the Hearing Coordinator within 1 business day's receipt of the name of the Decision-Maker.
 - v) A determination will be made by the Commissioner or his designee whether a Decision-Maker has a conflict of interest, and if so that Decision-Maker will be replaced by an alternate.
- c) At the Hearing, the Decision-Maker will:
 - i) Permit Cross-examination. At the Hearing, the Decision-Maker will permit each Party's Advisor to ask the other Party and any Witnesses all relevant questions and follow-up questions, including those challenging credibility. Such cross-examination at the Hearing must be conducted directly, orally, and in real time by the Party's Advisor of choice and never by a Party personally. The Parties may, however, jointly agree in advance to waive oral cross-examination and instead submit written cross-examination to the Decision-Maker to conduct the examination. Even if the Parties so agree, the Parties are still required to have a Advisor present at the Hearing. The Decision-Maker has discretion to otherwise restrict the extent to which Advisor may participate in the proceedings.
 - ii) Determine Relevance of Questions. Only relevant cross examination and other questions may be asked of a Party or Witness. Before a Complainant, Respondent, or Witness answers a cross-examination or other question, the Decision Maker must first determine whether the question is relevant and explain any decision to exclude a question as not relevant.
 - iii) Provide Rape Shield Protections for Complainants. The Decision Maker will prohibit any questions and evidence about the Complainant's sexual predisposition or prior sexual behavior as not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.
 - iv) Exclude Statements, as Relevant, in Reaching a Determination Regarding Responsibility. If a Party or Witness does not submit to cross-examination at the live Hearing, the Decision-Maker must not rely on any statement of that Party or Witness in reaching a determination regarding responsibility. The Decision-Maker cannot draw an inference about the determination regarding responsibility based solely on a Party's or Witness's

STUDENT AFFAIRS

absence from the live Hearing or refusal to answer cross-examination or other questions.

5. Hearing Process:

- a) The Investigator will be available to answer any questions from the Decision-Maker about the Investigation.
- b) The Decision-Maker may meet with the Parties and Witnesses for the purpose of making findings of fact.
- c) The Parties and Witnesses may not speak to matters beyond the scope of the Hearing File (for example, by raising potential misconduct allegations that go beyond the scope of the charged conduct).
- d) Parties and Witnesses must not disclose or reference information to the Decision-Maker that was excluded from the Hearing File.
- e) The Decision-Maker may ask questions of the Parties and/or Witnesses.
- f) Parties are permitted to listen to Witnesses as they are speaking to the Decision-Maker. The Decision-Maker is not obligated to speak to all Witnesses.
- g) Written Determination Regarding Responsibility:
 - i) The Decision-Maker shall issue a Written Determination Regarding Responsibility within 10 business days of the hearing, applying the Preponderance of the Evidence standard (as required by Georgia law), which shall include:
 - Identification of the allegations potentially constituting Title IX Prohibited Conduct;
 - A description of the procedural steps taken from the receipt of the Formal Complaint through the determination, including any notifications to the Parties, interviews with Parties and Witnesses, site visits, methods used to gather other evidence, and Hearings held;
 - Findings of fact;
 - Conclusions about whether the alleged Title IX Prohibited Conduct occurred, applying
 - The definitions set forth in this Title IX Procedure to the facts;
 - The rationale for the result as to each allegation;
 - Any disciplinary Sanctions imposed on the Respondent;
 - Whether Remedies or Supportive Measures will be provided to the Complainant; and
 - Information about how to file an appeal.
 - ii) Sanctions:
 - The Decision-Maker may ask the Parties to submit Sanctions statements at the conclusion of the Hearing.
 - The Decision-Maker may also consult with TCSG and/or College personnel, including the Human Resources Director or Vice President of Student Affairs, regarding any Sanctions and Remedies appropriate to the specific Respondent and Complainant under the circumstances of the case.
 - The Sanction determination will be provided to the Title IX Coordinator who will be responsible for implementing the Supportive Measures and/or Remedies, including the continuation of any Supportive Measures and/or any additional or on-going accommodations for both Parties.
 - iii) The Title IX Coordinator will cause the Written Determination Regarding Responsibility to be sent to the Parties.
 - iv) The Title IX Coordinator will provide copies of the Written Determination Regarding Responsibility and Sanctions and/or Remedies (if any) for the purpose of maintaining

STUDENT AFFAIRS

records as follows:

- For students, to the Office of Student Affairs
 - For staff, to Human Resources
 - For faculty, to the Office of Academic Affairs
- v) The Decision-Maker must explain decisions on responsibility and Sanctions (if applicable) and Remedies with enough specificity for the Parties to be able to file meaningful appeals.
- vi) The consideration of whether Remedies and Sanctions go into immediate effect or are temporarily delayed pending appeal or some combination thereof, will be determined on a case by-case basis by the Title IX Coordinator.
- vii) The Written Determination Regarding Responsibility becomes final:
- If an appeal is not filed, the date on which an appeal would no longer be considered timely; or
 - If an appeal is filed, on the date that TCSG and/or the College provides the Parties with the written determination of the result of the appeal.

E. Corrective Actions

1. Colleges will take all reasonable steps to prevent unlawful retaliation against complainants and any other individuals participating in investigations under this procedure.
2. If prohibited conduct is determined to have occurred following the investigation, steps shall be taken to prevent a recurrence and to correct the discriminatory effects on the complaining party and others as appropriate.
 - a) Steps may include, but are not limited to mandating training or evaluation, disciplinary sanctions, policy implementation, issuing no-contact orders, or reassignment of students or employees.
 - b) Disciplinary sanctions for students are defined in TCSG Procedure governing Student Discipline and may include: reprimand, restriction, disciplinary probation, disciplinary suspension, and disciplinary expulsion.
 - c) Disciplinary sanctions for employees are defined in TCSG's Positive Discipline Procedure and may include: formal reminders, decision making leave, or dismissal.
3. The severity of sanctions or corrective actions may depend on the severity, frequency and/or nature of the offense, history of past discriminatory, harassing, or retaliatory conduct, the respondent's willingness to accept responsibility, previous college response to similar conduct, and the college's interests in performing its education mission.
 - a) Should recommended disciplinary sanctions involve academic suspension or expulsion, the matter must be referred to the Vice President of Student Affairs, as provided by the college's Student Code of Conduct and Disciplinary Procedure.
4. Even in the absence of sufficient evidence to substantiate a finding that sex discrimination, sexual misconduct or retaliation has occurred, colleges are expected to address any inappropriate conduct and take all reasonable steps to prevent any future sex discrimination, harassment, sexual violence or retaliation.
5. Individuals who are responsible for conducting investigations, under this procedure, may not also serve as reviewing officials or Decision Makers in the appeal of sanctions arising from an investigation.

F. Appeals

1. Appeal of a Written Determination Regarding Responsibility
 - a) Submission of Appeal
 - i) Both Parties have the right to an appeal from a Written Determination Regarding Responsibility on the bases set forth below.

STUDENT AFFAIRS

- ii) Appeals may be submitted by a Complainant or Respondent in writing to the Hearing Coordinator, who will forward the appeal to a designated Appeal Officer to decide the appeal.
- iii) The Appeal Officer will be the Commissioner of TCSG or his designee.
- iv) Each Party may submit a written appeal of up to 6,000 words in length, which will be shared with the other Party.
- v) The Parties must submit the appeal to the Commissioner within ten (10) calendar days from the receipt of the Written Determination Regarding Responsibility (if any).
- b) Grounds for appeal are limited to the following:
 - i) Were there any procedural irregularities that substantially affected the outcome of the matter to the detriment of the appealing Party?
 - ii) Was there any substantive new evidence that was not available at the time of the decision or Hearing and that could not have been available based on reasonable and diligent inquiry that would substantially affect the outcome of the decision?
 - iii) Did the Title IX Coordinator, Investigator(s), or Decision-Maker have a conflict of interest or bias for or against Complainants or Respondents that affected the outcome of the matter?
 - iv) For matters that proceeded to Sanctioning and imposition of Remedies, are the Sanction and/or Remedies ones that could have been issued by reasonable persons given the findings of the case?
NOTE: In composing appeals, Parties should format their arguments following these four grounds as the organizational structure.
- c) Receipt of Appeal
 - i) Upon receipt of a Party's appeal, the Hearing Coordinator will share it with the other Party.
 - ii) Each Party may submit a response to the other Party's appeal (no more than 3,000 words).
 - iii) Each Party must submit this response to the Commissioner within 10 calendar days after the other Party's appeal has been shared.
 - iv) The appealing Party will have access to the other Party's response to the appeal, but no further responses will be permitted.
- d) Response to Appeal
 - i) The Title IX Coordinator is permitted, but not required, to file a response to a Party's appeal to respond to concerns relating to procedural irregularities or bias in the Investigation and Hearing process.

Students admitted to North Georgia Technical College are expected to be mature, to be law-abiding, and to have acceptable personal standards of conduct and ethics. Also, students are expected to have a responsible attitude toward regulations and standards of the college and the laws of the community, state, and nation, and to respect their fellow students. These regulations state clearly some things which students must do and some specific things which they must not do if they wish to remain associated with the institution. North Georgia Technical College, however, does not attempt to define by formal rules every action that is forbidden.

This procedure is intended to provide an orderly protocol for handling student disciplinary cases in accordance with the principles of due process and justice.

Procedure for filing a Student Code of Conduct Complaint

Any person may file a complaint with the Vice President of Student Affairs or the President’s designee against any student for an alleged violation of the Student Code of Conduct. The individual(s) initiating the action should provide a written description of the incident to the Vice President of Student Affairs or the President’s designee.

Academic Misconduct is handled through the Office of the Vice President of Student Affairs and the Office of the Vice President of Academic Affairs. An incident of Academic Misconduct may result in academic and disciplinary consequences.

A. Investigation and Decision

1. Within five business days after the Student Code of Conduct Complaint Form (the “Complaint”) is filed, the Vice President of Student Affairs or the President’s designee shall complete a preliminary investigation of the incident, and schedule a meeting with the student against whom the complaint was filed in order to discuss the incident and the allegations. In the event that additional time is necessary, the student will be notified. After discussing the complaint with the student, the Vice President of Student Affairs or the President’s designee shall determine whether the student committed the alleged conduct, and whether the alleged conduct constitutes a violation of the Student Code of Conduct.
2. The student shall have five (5) business days from the date contacted by the Vice President of Student Affairs or the Technical College President’s designee to schedule the meeting. This initial meeting may only be rescheduled one time. If the student fails to respond to the Vice President of Student Affairs or the President’s designee within five (5) business days to schedule the meeting, reschedules the meeting more than once, or fails to appear at the meeting, the Vice President of Student Affairs or the President’s designee will consider the available evidence without student input and make a determination.
3. In the event that a complaint alleges violations of the Student Code of Conduct by more than one student, each student’s disciplinary proceeding, as well as any appeals relating to that proceeding, shall be conducted individually.
4. If the Vice President of Student Affairs or the President’s designee determines that the student has violated the Student Code of Conduct, he/she shall impose one or more disciplinary sanctions consistent with those described below. If the Vice President of Student Affairs or the President’s designee determines that the alleged conduct did not occur, or that the conduct was not a violation of the Student Code of Conduct, he/she shall not impose any disciplinary sanctions on the student and the investigation shall be closed.

B. Disciplinary Sanctions

STUDENT AFFAIRS

Based on the severity of the incident, the Vice President of Student Affairs may take one of two actions:

1. After a determination that a student has violated the Student Code of Conduct, the Vice President of Student Affairs or the President's designee may impose, without referral to the Hearing Body, one or more of the following sanctions. Notification shall be sent to the student and the person(s) who initially filed the complaint.
 - a) Restitution – A student who has committed an offense against property may be required to reimburse the technical college or other owner for damage to or misappropriation of such property. Any such payment in restitution shall be limited to the actual cost of repair or replacement.
 - b) Reprimand – A written reprimand may be given to any student. Such a reprimand does not restrict the student in any way, but it signifies to the student that he/she is in effect being given another chance to conduct himself/herself as a proper member of the technical college, and that any further violation may result in more serious sanctions.
 - c) Restriction – A restriction upon a student's privileges for a period of time may be imposed. This restriction may include but is not limited to denial of the right to represent the technical college in any way, denial of use of facilities, alteration or revocation of parking privileges, or restrictions from participating in extracurricular activities.
 - d) Disciplinary Probation – Continued enrollment of a student on probation may be conditioned upon adherence to specified terms. Any student placed on probation will be notified of the terms and length of probation in writing. Any conduct determined after due process to be in violation of these terms while on probation may result in the imposition of more serious disciplinary sanctions, as specified by the terms of probation.
 - e) Failing or Lowered Grade – In cases of Academic Misconduct, the Vice President of Student Affairs or the Technical College President's designee will make a recommendation to the Vice President for Academic Affairs or his/her designee who may authorize the instructor to award a failing or lowered grade in the course, or a loss of credit on the assignment or examination.
 - f) Monetary Fine – A fine may be imposed on a student to emphasize the seriousness of the violation. The student will have a minimum of 10 days to pay the fine and a Hold will be placed on their account until such a time as the fine is paid.
2. After a determination that a student has violated the Student Code of conduct, the Vice President of Student Affairs or the President's designee may recommend the imposition of one of the following sanctions if appropriate. The Vice President of Student Affairs' recommendation will be forwarded to the Hearing Body, which may impose one or more of the following sanctions, as well as those described above, following a hearing. A copy of the written recommendation shall be provided to the student and the person filing the complaint.
 - a) Disciplinary Suspension – If a student is suspended, he/she is separated from the technical college for a stated period of time. Conditions of reinstatement, if any, must be stated in the notice of suspension.
 - b) Disciplinary Expulsion – Removal and exclusion from the technical college, North Georgia Technical College controlled facilities, programs, events, and activities. A record of the reason for the student's dismissal is maintained by Vice President of Student Affairs or the President's designee. Students who have been dismissed from the technical college for any reason may apply in writing to the Vice President of Student Affairs for reinstatement twelve (12) months following the expulsion. If approval for reinstatement is granted, the student will be placed on disciplinary probation for a specified term. The probationary status may be removed at the end of the specified term at the discretion of the Vice

STUDENT AFFAIRS

President of Student Affairs or the Technical College President's designee.

- c) System-Wide Expulsion – Where a student has been expelled or suspended three times from the same or different colleges in the Technical College System of Georgia in the past seven years, the student will not be permitted to register at any college in the Technical College System of Georgia for a period of ten years after the most recent expulsion/suspension.

C. Violation of Federal, State, or Local Law

1. If a student is convicted or pleads nolo contendere to an off-campus violation of federal, state, or local law, but not with any other violation of the Student Code of Conduct, disciplinary action may be taken and sanctions imposed for misconduct that is detrimental to the technical college's vital interests and stated mission and purpose.
2. Disciplinary proceedings may be instituted against a student charged with violation of a law that is also a violation of the Student Code of Conduct if both violations result from the same factual situation, without regard to criminal arrest and/or prosecution. Proceedings under this Student Code of Conduct may be carried out prior to, simultaneously with, or following criminal proceedings.
3. When a student is charged by federal, state, or local authorities with a violation of law, the technical college will not request or agree to special consideration for that individual because of his/her status as a student. The technical college will cooperate fully with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators. Individual students, acting in their personal capacities, remain free to interact with governmental representatives, as they deem appropriate.

D. Interim Disciplinary Suspension

As a general rule, the status of a student accused of violations of the Student Code of Conduct should not be altered until a final determination is made regarding the allegations against him/her. However, interim suspension may be imposed upon a finding by the Vice President of Student Affairs or the President's designee that the continued presence of the accused student on campus constitutes a potential or immediate threat to the safety and well-being of the accused student or any other member of the technical college or its guests, or that the continued presence of the student on campus creates a risk of substantial disruption of classroom or other technical college-related activities. If an interim disciplinary suspension is imposed, the matter must be referred as soon as possible to the Hearing Body. The student need not request an appeal.

E. Conditions of Disciplinary Suspension and Expulsion

1. A student who has been suspended or expelled from the technical college shall be denied all privileges afforded a student and shall be required to vacate technical college premises at a time determined by the Vice President of Student Affairs or the President's designee.
2. In addition, after vacating the technical college premises, a suspended or expelled student may not enter upon the technical college premises at any time, for any purpose, in the absence of written permission from the Vice President of Student Affairs or the President's designee. A suspended or expelled student must contact the Vice President of Student Affairs or the President's designee for permission to enter the technical college premises for a limited, specified purpose.
3. If the student seeks to submit a signed Disciplinary Sanction Appeal Form, the Vice President of Student Affairs or the President's designee must accept the form by mail or fax if he/she refuses the student's request to enter the North Georgia Technical College premises for that specified purpose.

STUDENT AFFAIRS

4. A scheduled appeal hearing before the Hearing Body shall be understood as expressed permission from the Vice President of Student Affairs or the President's designee for a student to enter the technical college premises for the duration of that hearing.

F. Mediation

At the discretion of the Technical College President, the technical college may adopt a mediation procedure to be utilized prior to the appeals set forth herein. Mediation may never be used in cases of alleged sexual misconduct.

G. Hearing/Appeals Procedure

1. A student who wishes to appeal a disciplinary decision by the Vice President of Student Affairs or the President's designee regarding an assigned sanction of restitution, reprimand, restriction, disciplinary probation, monetary fine, or failing or lowered grade must file a written notice of appeal through the President's office for review by the Hearing Body within five (5) business days of notification of the decision. The person filing the initial complaint against the student must be notified of the hearing date.
2. If the Vice President of Student Affairs or the President's designee recommended a sanction of disciplinary suspension, disciplinary expulsion, interim disciplinary suspension, or system-wide expulsion, the matter will be referred to the Hearing Body by the Vice President of Student Affairs. The student need not file a written notice of his or her desire to appear before the Hearing Body. The person filing the initial complaint shall also be given notification of the hearing.
3. The student will then have the right to appear in a hearing before a Hearing Body assigned by the Technical College President or his/her designee within ten (10) business days to present evidence and/or testimony. If the student has been placed on an interim disciplinary suspension, the hearing must be held as soon as possible, preferably within five (5) days. The student has the right to be assisted by any single advisor he/she chooses, at his/her own expense. The student is responsible for presenting his/her own information and, therefore, advisors are not permitted to speak or to participate directly in any hearing before a Hearing Body. The Hearing Body may consist of a single person or a group of people drawn from the Technical College. There shall be a single official record, such as a tape recording, of all hearings before the Hearing Body. The official record shall be the property of the technical college. The standard of proof in all hearings shall be a preponderance of the evidence. The chairperson of the Hearing Body shall notify the President and the Vice President of Student Affairs in writing of the Hearing Body's decision. The President or the President's designee will notify the student in writing of the Hearing Body's decision.
4. If the student appeared before the Hearing Body to appeal the Vice President of Student Affairs or the President's designee's sanction of restitution, reprimand, restriction, disciplinary probation, monetary fine, or failing or lowered grade, the Hearing Body's decision regarding the appeal is final. The President or the President's designee will notify the student and the person who filed the original complaint in writing of the Hearing Body's decision.
5. If the student appeared before the Hearing Body after the Vice President of Student Affairs or the President's designee recommended disciplinary suspension, disciplinary expulsion, interim disciplinary suspension, or system-wide expulsion, the student shall have the opportunity to appeal directly to the President.
6. If entitled to an appeal to the President, the student shall have five (5) business days after receiving written notification of the Hearing Body's decision to request in writing an appeal. The student shall ensure that all relevant information is included with this request. The person who filed the original complaint shall be notified of the student's appeal.
7. The President of the technical college or his/her designee's review shall be in writing and shall

STUDENT AFFAIRS

only consider evidence currently in the record; new facts not brought up in earlier stages of the appeal shall not be considered. The President or his/her designee shall deliver the decision to the student and the person who filed the original complaint within ten (10) business days. The decision of the President or his/her designee shall be final and binding.

H. Document Retention

The Vice President of Student Affairs or the President's designee shall retain a copy of all documents concerning complaints, investigations, administrative actions, and communications in relation to any incident that resulted in a disciplinary investigation of any kind against a student. The Vice President of Student Affairs or the President's designee will also retain records of any disciplinary appeals filed by the affected student, as well as the resulting record of appeal and decision submitted by the Hearing Body and the Technical College President or his/ her designee. A record of the final decision must also be retained. All records specified in this section shall be retained for a period of five years.

Reinstatement

Any student who is dismissed from the college for either academic or disciplinary reasons, who voluntarily withdraws while not in good standing, or who is on any type of probationary status and desires reinstatement must make a request for reinstatement in writing to the Office of the Registrar at registrar@northgatech.edu. All decisions regarding reinstatement are made by a review committee.*

Student Grievance Procedure and Resolution Process

It is the practice of North Georgia Technical College to maintain a grievance process available to all students that provides an open and meaningful forum for their grievances and the resolution of these grievances. The college seeks to resolve student grievances, complaints and concerns in a time responsive and fair manner.

This procedure does not address grievances related to unlawful harassment, discrimination and/or retaliation for reporting harassment/ discrimination against students. Those complaints are handled in accordance to TCSG's Unlawful Harassment and Discrimination of Students Policy and Procedure.

Special Note: The Student Grievance Procedure and Form is NOT to be used for Grade Appeals, Academic Misconduct, and Harassment or Discrimination complaints. Please refer to the college's Course Catalog and Student Handbook for details on these respective procedures.

Students with a concern or grievance should begin the process at the institution (college) level.

- To submit a student concern/grievance at the local college level, please follow North Georgia Technical College's Student Grievance Procedure and use the Student Grievance Form.

If a resolution is not reached at the institution level, or if you believe that the nature of the complaint or its impact on the system, as a whole, warrants an immediate review by the Technical College System of Georgia (TCSG) administration, contact the TCSG Student Affairs Coordinator at studentaffairs@tcsge.edu or call (404) 679-1692.

- To submit a student grievance at the state level, follow the TCSG Student Concern/ Complaint Instructions and use the Program Integrity Complaint Form.
- If the issue is not resolved at the institution or state level, students may take their grievance to the Southern Association of Colleges and Schools Commission on Colleges.*

Student Grievance Procedure

The Student Grievance Procedure is established to resolve difficulties or problems encountered in college-related activities. A grievance is taken seriously and therefore must be of a compelling, substantive, and verifiable nature. A grievance about a decision made by a member of the faculty or staff may only be filed by students who have been directly, adversely, and/or substantially affected by the decision. Repeated filings of the same grievance, filings of a frivolous nature, or a capricious grievance made against school personnel and policies will be considered an abuse of the student grievance process and will be dismissed.

The Student Grievance Procedure applies to matters that may include classroom learning environment, course content, access to classes, student advisement, and quality of services to students. The policy also applies to matters concerning services provided by all departments within the college. The Student Grievance Form is found here. The Student Grievance form should be sent to studentgrievance@northgatech.edu.

The grievance will not be processed until after the other procedures have run their course.
 - 5) The VPSA, or the President's designee, shall be granted an additional fifteen (15) business days to investigate the grievance upon notice to the grieving student.

2. The appeal will be decided based entirely on documents provided by the student and the administration; therefore, the student must ensure that he or she has provided all relevant documents with his or her appeal.
3. At the sole discretion of the President, grievance appeals at the institution may be held in one of the following two ways:
 - a) The President may review the information provided by the student and administration and make the final decision; or

Student Code of Conduct

Academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students, and the well-being of society. Free inquiry and free expression are indispensable to the attainment of these goals. As members of this academic community, students are encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for knowledge.

Freedom to teach and freedom to learn are inseparable facets of academic conditions in the classroom, on the campus, other college sites, and in the community. Students are expected to exercise their freedom with responsibility. As members of the academic community, students are subject to the obligations which accrue to them by virtue of this membership. As members of the larger community of which the college is a part, students are entitled to all rights and protection accorded them by the laws of the community. Nothing in this Code of Conduct shall be interpreted to interfere with any person's right to free speech as provided by the First Amendment to the Constitution of the United States of America.

By the same token, students are also subject to all laws, the enforcement of which is the responsibility of duly constituted authorities. When students violate laws, they may incur penalties prescribed by legal authorities. In such instances, college discipline will be initiated if the presence of the student on campus is considered a possible threat to persons or property, or if that person's presence may disrupt the educational process of the college. However, when a student's violation of the law also adversely affects the college's recognized educational objectives, or violates the college's Student Code of Conduct, the college will enforce its own regulations. When students violate college regulations, they are subject to disciplinary action by the college whether or not their conduct violates the law.

It is the policy of the Technical College System of Georgia (TCSG) to provide technical and adult education programs for the people of Georgia. TCSG's technical colleges must provide opportunities for intellectual, emotional, social, and physical growth. Technical college students assume an obligation to act in a manner compatible with the fulfillment of the mission. The technical college community recognizes its responsibility to provide an atmosphere conducive to growth. With these principles in mind, the Technical College System of Georgia establishes this Student Code of Conduct.

Generally, technical college jurisdiction and discipline shall be limited to conduct which occurs on technical college premises, off-campus classes, activities or functions sponsored by North Georgia Technical College, an examination or any other written or oral work submitted for evaluation and/or a grade, or which otherwise adversely affects members of North Georgia Technical College community and/or the pursuit of North Georgia Technical College's objectives.
