"I've always known about this school, and recently realized NGTC had an Agriculture program. I did some research and decided to enroll in Agriculture at NGTC. It was the best decision I've made in a while."

Josiah Irvin, Agriculture

"I chose NGTC because this area is home to me. It has always been where I've felt like I've belonged. Coming to North Georgia Tech was an easy option."

Linton Sangster, Air Conditioning Technology

LEARN & LIVE ON CAMPUS

NGTC is one of only two technical colleges in Georgia that offers living on campus.

Bryant Hall, our co-ed residence hall, is located on the Clarkesville campus and provides access to the campus dining hall, WiFi, laundry and television rooms. Between classes you can work out, play games and hang out in the Student Life Center. Enjoy hiking the surrounding mountains and parks, or go fishing, hunting or kayaking in the nearby lakes. Tallulah Gorge and many beautiful, easy-to-find waterfalls are also close by.

MAYBE YOU'RE THINKING...

WHAT MAKES NGTC UNIQUE, ANYWAY?

NGTC is the very first technical college in Georgia, and is one of only two technical colleges in Georgia, to offer on-campus housing (Clarkesville). NGTC offers a wide variety of programs that can be completed in as little as 8 weeks, or up to 2 years. Our staff is amazing and supportive, and our small-town mountain surroundings are scenic, quiet, clean and safe.

I'M ALREADY BUSY. DOES NGTC HAVE FLEXIBLE CLASS OPTIONS?

Life happens. We know that balancing college, work, and family life is important. Online classes are available in most program areas. Hybrid classes, combining online and face-to-face learning, are very popular. Both day and evening classes are available at all three campuses.

CAN I REALLY DO THIS? WHAT IF I NEED HELP?

First of all, yes. You can do this. And everyone needs help sometimes – we're here to help you at every step. When you enroll, you'll be paired with an academic advisor in your program

of study to help guide you through class registration, progress toward graduation, future job placement, and more.

Each campus has a Student Success Coach to help you navigate college life, and prepare you for those soft skills you'll need to succeed after college.

You'll have access to academic tutors both in-person and online through our Student

Success Centers. Support services are here if you need learning accommodations, and a counselor is also available in-person and online. On-campus jobs are also available.

When you are about to complete your program, NGTC's Career Center will help you with your job search, and offers employability workshops, resumé building, and other resources.

"I chose NGTC in order to further my future in what I have a passion for. This school led me to become more equipped and aware to make a hobby my life career."

Carson Sprinkle, Photography

EARN WHILE YOU LEARN

Earn your degree, diploma or certificate; hourly wages; on-the-job training; and an entry to a career path – all at the same time.

North Georgia Technical College offers Registered Apprenticeship opportunities to qualified students. If you're selected, you'll be hired as a full-time employee, attending classes on a part-time basis. When you complete the apprenticeship program, you will be awarded a U.S. DOL Certificate of Completion that shows you've had specialized training in your chosen occupation.

COSTS & FINANCIAL ASSISTANCE

2021-2022 Cost of Attendance	GA Resident	Out-of-State	International
Tuition per Credit Hour	\$100	\$200	\$400
Books & Supplies (varies by program)	\$386	\$386	\$386
Fees	\$336	\$336	\$336
Total Costs (based on 12 credit hrs)	\$1,897	\$3,097	\$5,497

We realize that most students need financial assistance in order to attend school.*

The Financial Aid Office at North Georgia Technical College offers a wide variety of aid options to help all students meet their educational goals. The NGTC Foundation also offers support for students' financial aid needs.

* About 83% of students received grant/scholarship aid in 2021.

READY? LET'S GO.

▶ **Apply! Go to northgatech.edu/admissions. Apply online, through regular U.S. mail, or in person.** Need help with that first step? Our Student Affairs staff can walk you through the process of admissions, financial aid, career planning, placement testing, registration and disability services.

▶ **Reminder: GPA and GED scores** can take the place of testing requirements for Spring and Summer 2023.

▶ **Apply for financial aid.** There's help available. We can point you in the right direction. Call the Financial Aid Office at **706-754-7700** or email us: finaid@northgatech.edu.

ADMISSIONS AND SCHOLARSHIP FOUNDATION APPLICATION DEADLINES:

Spring 2023: Nov. 17, 2022
Summer 2023: April 27, 2023
Fall 2023: Aug. 6, 2023

NGTC FINANCIAL AID OFFICE
706-754-7700
finaid@northgatech.edu

FINANCIAL AID AND SCHOLARSHIPS

Federal financial aid assistance is available through various financial aid programs such as:

FAFSA: For Pell and HOPE applications, visit studentaid.gov/h/apply-for-aid/fafsa.

HOPE: For Scholarship or Grant applications, visit gafutures.org.

VA Benefits (if applicable): For applications & eligibility, visit va.gov/education/how-to-apply.

The Georgia HOPE Career Grant provides free tuition to eligible students enrolled in specific high-demand career programs. This includes over 17 fields of study such as medical, automotive and welding. Students will still be responsible for student fees and any equipment necessary. In some cases, financial aid is available for those as well.

Scholarships are available through the North Georgia Technical College Foundation for eligible students who demonstrate financial need. To apply for scholarships, visit northgatech.edu/foundation. For more information, call **706-779-8110**.

TRANSFERS & ARTICULATION

Thinking about continuing your education?

NGTC has articulation agreements that allow students to transfer certain credits to other colleges and universities without taking duplicate courses. The full list of schools can be found at:

northgatech.edu/pages/programs/articulation

APPLICATION CHECKLIST

If you have any questions during the application process, feel free to give us a call at 706-754-7700! We are happy to walk you through each step.

- ☐ Admissions application (available online)
- ☐ \$25 application fee (non-refundable)
- ☐ Official high school transcript, GED, or HiSET score report
- ☐ Postsecondary transcript (if applicable)
- ☐ Test scores: SAT, ACT, ASSET, COMPASS, Accuplacer, or qualifying high school GPA
