

Nurse Aide Accelerated

Certificate available

The Nurse Aide Accelerated certificate program provides students with classroom training as well as the clinical experiences necessary to care for patients in various settings including nursing care facilities, general and surgical hospitals, community care facilities for the elderly, or in the comfort of the patient's home. After completing NGTC's State approved Nurse Aide training program, students are eligible to sit for the competency evaluation examination. Candidates who successfully pass the written/oral and skills competency examination will be included on the Georgia Nurse Aide Registry as a Certified Nursing Assistant (CNA).

 Available on all three campuses

Nurse Aide Accelerated graduates may find employment in places such as:

- Nursing care or long-term care facilities
- Assisted living facilities
- Hospice facilities
- Hospitals and clinics
- Home health care agencies

The Nurse Aide certificate may be completed in a minimester or full semester depending on the student's needs and availability.
