

NOTE:

- ▶ Heads up! The FAFSA® has changed. Remember, the FAFSA® must be completed each year **before** Fall semester. If you plan to seek financial aid for Fall 2024-Summer 2025, here's a checklist to help you apply.

- Create or login with your **FSA ID** (username and password). All individuals are **required** to have a **verified** FSA ID, and this can take 3-5 business days. Do **THIS** before filling out your FAFSA®.
- Start your portion of the 2024-2025 FAFSA® by visiting [Start or Edit a 2024-25 FAFSA® Form](#)
- Make sure NGTC's Federal School Code of **005619** is included on your FAFSA®.
- Follow instructions provided by U.S. Department of Education to invite a contributor(s) or electronically sign and submit your FAFSA®.
- Double check to make sure you submitted your FAFSA® (as opposed to saving your application). A successful submission results in a confirmation email.

What's next?

- ▶ The U.S. Department of Education will process your application and submit this to NGTC, provided our school code is entered. Because the FAFSA® has changed, NGTC will not receive your information before mid-March.
- ▶ NGTC will review your 2024-2025 FAFSA® and request any additional documentation required for your financial aid file, if needed. The Financial Aid Office reviews applications in the order received.
- ▶ Check your [BannerWeb account](#) for estimated award information.
